\$0.00

Debt Ratio-Current / Post Purchase

Evaluation forth coming from our accountant's review of our most recent profit/loss information and current balance sheet.

Any Re-Financing or Bundling

No

If Yes, then Describe**How Will Purchase Benefit the Department (Safety/ISO/Cost Savings, etc)**

American LaFrance has been out of business for greater than 10 years. Replacement parts are becoming increasingly difficult to find. Parts we cannot locate have to be custom made. With delivery time of the new apparatus, this apparatus will have approximately 19 years of in-service time. In addition to increase delivery time, the cost of fire apparatus in general has increase exponentially of the last two-three years. In terms of apparatus longevity, this is an appropriate time to purchase financially.

How Will Purchase be Funded (Long Term - NOT Just Current Year)

Purchase will be funded through our current approved budget.

If Purchase is NOT Approved for Funding, Describe Department Alternatives

If not approved, we will continue to follow the most current and approved process for a later purchase..

Is This a Replacement?

Yes

If Yes, List Details (Make, Model, Years of Service, Remaining Balance, etc.)

2007 American LaFrance Rescue/Pumper. Current In-Service Time: 16 years. Community does have a clear title for this apparatus.

What Will Become of Old Apparatus / Equipment?

The sale of the 2007 American Lafrance will be processed through a broker..

Has 5 Year Plan Been Submitted?

Yes
