To whom it may concern:

"This "sole source" with supporting documentation mentioned below is intended for the purchase of New Pit-Bull® X SWAT Truck (VIN: 1FDUF5HTXKDA22395) for Gaston County Sheriff's Office.

Alpine Armoring Inc. is a USA owned multinational corporation, headquartered in a Virginia suburb of Washington, D.C., specializing in the integration and manufacturing of high-quality armored vehicles for over 23 years. Our long list of clients includes various department and agencies within the United States government (including DOS, DOJ, DOD and DHS), and various law enforcement agencies in the U.S. and around the world. Alpine Armoring has ballistic certificates and positive test results on its armored SUVs both from Germany (Beschussamt Munchen) and the US Military (Aberdeen Proving Ground), and has been a GSA contractor (contract # GS-07F-9376S) since 2007.

Alpine Armoring is the "Go-to" and preferred choice Government vendor & contractor for various US government agencies for all armoring related items. This order for Gaston County Sheriff's Office for a NEW Pit-Bull® X SWAT Truck is a trademark product of Alpine Armoring, which can be justified as the only know source (Alpine Armoring) that can fulfill this requirement. This Pit-Bull® X SWAT Truck is immediately available and No other manufacturer can produce a vehicle equivalent to this trucks protection level and capabilities within that time period, making this a noncompetitive proposal. Alpine Armoring is available for any maintenance, warranty, and after-sales items, therefore the procurement can be entered without competitive process."
