COMPREHENSIVE LAND USE PLAN
Area 2: North 321 Gaston
Key issues for citizens in this area include: preservation of open space; road improvements and better connectivity to other areas of the County and throughout the region; more transportation alternatives; preservation of agriculture and maintaining the rural “feel” of the community; and, steer development towards existing infrastructure and areas immediately surrounding towns and cities.
Comprehensive Plan future Land Use: Rural
Rural areas are areas characterized by green, rolling hills and plenty of open space, along with farmstead style housing, as well as agribusinesses. This designation exemplifies Gaston County and the existing natural resources that exist throughout the jurisdiction. Residential homes are located on large lots and are set back from the roads they front upon. There are many opportunities for agribusiness ventures in this designation as well, including farming, landscaping and associated nurseries, etc. It is understood that this is the default use designation for Gaston County.
Staff Recommendation:
Application, as presented, <i>is consistent</i> with the Comprehensive Land Use Plan.

STAFF SUMMARY

Prepared By: Sarah Carpenter Penley, Senior Planner

This property is located in the north west/central region of the county. The location has a diversity of residential uses and diverse housing types within close proximity to the proposed location. The application presented is currently residential in nature, occupied by a single family home, with a subdivision plat on file for review. Large tracts of vacant acreage surround the immediate site.

If approved, any uses allowed in the current zoning (R-3) zoning district would be permitted in accordance with standards and regulations as adopted in the Gaston County Unified Development Ordinance (UDO).

PLANNING BOARD RECOMMENDATION

Scheduled Meeting Date: September 12, 2022

Meeting Summary / Points of Discussion: Staff provided Board members with a brief presentation of the property, which included, a list of uses allowed by right within the (R-3) Single Family General Zoning District. Board members questioned staff regarding the main difference between the residential uses, and specifically the uses allowed in (R-3) that required a Special Use Permit. Once explained that the additional uses allowed required a SUP and went before a separate board for approval (Board of Adjustment), the Board had no further questions or concerns.

The Board voted to approve the application, with a vote of (5) to (1) based upon the following statement of consistency:

*The proposed rezoning is in the Rural future land use plan. The area consists of mixed housing types that are residential in nature. The use, going from (R-1) to (R-3) will maintain the subject parcel as residential in nature, which **is consistent** with the Rural designation.*

Memorandum

To: Sarah Carpenter Penley, Senior Planner/Subdivision Administrator, Building & Development Services
From: Julio Paredes, Planner
Date: August 8, 2022
Subject: TRC Review – 338 Carpenter Rd– GCLMPO Zoning Review

Thank you for the opportunity to provide comments on a proposed rezoning within the Gaston-Cleveland-Lincoln Metropolitan Planning Organization (GCLMPO) planning area. My comments are based on review of the site in accordance with the adopted Comprehensive Transportation Plan (CTP), the 2050 Metropolitan Transportation Plan (MTP), and the current State Transportation Improvement Program (STIP).

The site is located at 338 Carpenter Rd, Bessemer City, NC, 28016, USA. Parcel ID: 219660. On behalf of the GCLMPO, I offer the following comments:

1. According to the 2020-2029 STIP, there are no funded transportation improvement projects in the immediate vicinity of this site.
2. Neither the GCLMPO 2050 Highway MTP nor Highway CTP include any proposed improvements to any streets adjacent to the subject property.
3. Please note that for any site plan that requires a driveway permit on an NCDOT roadway, or is adjacent to NCDOT roadways, the property owner/developer should work with NCDOT on any required driveway permits or any TIA requirements.

If you have any questions regarding my comments, please do not hesitate to contact me at 704-866-6980 or juliop@cityofgastonia.com
