If you could locate what he needs and send me the info I'll have it surplused to him. It won't impact our deal correct?

Chief Greene is looking for 5 portable radios and 1 mobile radio. We did get trade-in value for our old equipment, but it has not been picked up yet and is still in the warehouse. I don't see any issues with donating this small amount of equipment to them if you would like to help them out.
