This request is to cover expenses for an unplanned project to relocate fiber optic cabling along New Hope Road. Our fiber optic network runs parallel to the east side of New Hope Road from Garrison Blvd. to Court Drive, north of Interstate 85. North Carolina DOT is preparing to widen New Hope Road from Burtonwood Drive to Garrison Blvd. This state project will require Gaston County to move four existing manholes containing our fiber optic cabling which connects us to Summit Health Dept. Without this relocation, our cabling will likely be damaged and/or paved over with no access.
