### BUDGET IMPACT

These transfers are keeping within current policy to transfer accumulated funds

### BUDGET ORDINANCE IMPACT

Transferring accumulated funds from Fund Balance Appropriated Account to New Hope Fire Department

### BACKGROUND

On occasion funds accumulate in fire district taxing accounts through the realization of past taxes being collected, property revaluation between budgets and account interest earned. This action will transfer such accumulated funds to New Hope Fire Department. David Brumbaugh was in attendance at the Gaston County Fire Advisory Board on 3/20/19 to answer questions regarding New Hope's request for approval to ask the Commissioners to release \$14,035 of their reserve funds to them. Chief Matt Young had previously submitted a spending plan (attached) that detailed needs as forcible entry prop door and equipment for their newly purchased rescue engine that will be delivered in May, 2019. Discussion followed. Barry Wilson made a motion to recommend to the Commissioners that they release \$14,035 reserve funds to New Hope. Barry Joye seconded the motion. There was no further discussion or opposition. The vote was unanimous. The motion carried.

### **Build List with Custom Doors:**

- Uprights
  - 2- 6x6's treated (\$47.14 Lowe's)
- Base (typically cut 5'x4')
  - Stall mat (typically from tractor supply/lumber 2) (\$47.99 Tractor Supply)
  - ¾" sheet plywood (\$35.98 Lowe's)
- Custom Doors (one door - double if making two doors)
  - 2- ¾" sheets plywood (\$71.96 Lowe's)
  - 1- ¾" sheet plywood (\$20.72 Lowe's)
  - 1 ¾" exterior wood screws (\$18.94 Lowe's)

Uprights can be cut down to approximately 82" and the lock (force wood slots) will still be in the typical 42" from the ground lock area. Width of doors is typically 36" which gives a pretty tight fit and height will depend on how short you cut the uprights. Paint or stain to seal custom doors and base for longevity.
