Cherryville has been awarded an American Legion Baseball Super-Regional, which will bring 14 teams from the mid-Atlantic and Southeast regions of the United States to Gaston County to compete for a spot in the American Legion World Series. As part of the event preparations, national American Legion officials have requested Cherryville construct a shade structure over the bleachers at Fraley Field-an enhancement that would not only improve the spectator experience but also strengthen Cherryville's position as a long term Super Regional host site. Following a presentation on the project during its August meeting, the Tourim Advisory Board voted to provide financial support from the tourism fund balance.
