(I/We), also agree to grant permission to allow employees of Gaston County to enter the subject property during reasonable hours for the purpose of making **Zoning Review**.

Please be advised that an approved general rezoning does not guarantee that the property will support an on site wastewater disposal system (septic tank). Though a soil analysis is not required prior to a general rezoning submittal and/or approval, the applicant understands a chance exists that the soils may not accommodate an on site wastewater disposal system thus adversely limiting development choices/uses unless public utilities are accessible.

If the application is not fully completed, this will cause rejection or delayed review of the application. In addition, please return the completed application to the Planning and Development Services Department within the County Administrative Building located at 128 West Main Avenue, Gastonia, NC 28052.
