Re: *Sole Source Verification*

To Whom it May Concern:

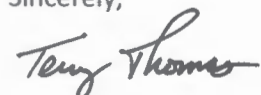

Northwoods Consulting Partners, Inc., ("Northwoods") hereby provides this verification that Northwoods is the sole source provider of Compass® software and its corresponding support services.

The Compass® software suite is proprietary software owned and controlled by Northwoods. Compass is protected by copyright, trademark, and other intellectual property laws and is licensed, not sold. Its use is subject to the terms of the Compass Software End User License Agreement, which grants a user non-exclusive, non-assignable limited rights to use the object code of the software for only the purposes as set forth in that agreement. No other company may sell or implement Compass® in the State of North Carolina.

Upgrades and enhancements to Compass are developed at the sole discretion of Northwoods. The updates are deployed by Northwoods according to the terms of the Compass Software Support Agreement. Northwoods is the sole source of support for implementations of Compass in the State of North Carolina.

Should you have any questions or need anything further, please do not hesitate to contact me.

Sincerely,

Terry Thomas

Controller
