Gaston County Board  
of Commissioners

GASTON COUNTY

COMMISSIONER'S COURT

NORTH CAROLINA

JULY 23, 2019

The Gaston County Board of Commissioners (BOC) met in Regular Session on July 23, 2019 at 6:00 p.m., in The Harley B. Gaston, Jr. Public Forum, Gaston County Courthouse.

Chairman Tracy L. Philbeck presided with Commissioners Chad Brown, Vice-Chairman; Bob Hovis, Tom Keigher and Ronnie Worley in attendance.

Commissioners Jack B. Brown and Allen R. Fraley were not in attendance.

Others present included Earl Mathers, County Manager; Samuel J. Shames, Assistant County Attorney; and Donna S. Buff, Clerk to the Board.

Upon request of Chairman Philbeck, Commissioner Worley led those assembled in the Invocation and Commissioner Chad Brown led in the Pledge of Allegiance.

Public Hearing - RE: Commissioner Philbeck - EDC - To Authorize a Standard Level Three Grant and to Convey a 49.24 Acre Tract in the Apple Creek Business Park - "Project RAVEN"

Chairman Philbeck announced the Public Hearings as advertised; explained procedures to be used; called for the motion to enter into Public Hearings.

On motion introduced by Commissioner Chad Brown and seconded by Commissioner Hovis, the BOC unanimously entered into Public Hearings.

Chairman Philbeck introduced Mr. Donny Hicks, Economic Development Director, for comments.

Mr. Hicks advised over the last several years the County studied and then acquired 325 acres behind the Gastonia Technology Park (GTP) for Apple Creek Business Park; is about 75% away through the final design drawing, hopes to have it completed and to bid construction in late Fall and start construction in the Spring; anticipate finishing the front part of the business park by September 2020; staff has been working with a company (code named - Project Raven) from Europe with intentions to build a \$30M facility in the United States, hire about 50 people, pay above-average wages and design the plant to double in size over a period of time; staff worked with the County Manager and BOC on project; there are other opportunities for the company to locate in other states but think the County is in a pretty commanding position.

The County proposes to sell a 49-acre site to the company. He reviewed a map depicting the location and topography of the site as the front part of the business park (north side) and advised the company intends to buy all of Phase 1 – mass graded. The County will move the dirt to a site across the street to create another pad-ready property site (already have a prospect interested in purchasing this site).

He advised the County must have the site ready by September 2020 to initiate construction with the anticipation of opening in September or October 2021 and to initiate hiring and start production in early 2022.
