Dear Garry:

Congratulations! The Juvenile Community Programs Section is pleased to announce that Family Centered Treatment has been awarded discretionary funding in the amount of \$13,840 for FY 2016-17! This award is to fund the requested additional days of family treatment care in Gaston County. In order to complete the award process, please access NCALLIES, complete a Program Agreement Revision, and prompt your Area Consultant via email once the revision is completed. Also, please be mindful that discretionary awarded funds require a local match. (Note: The purchase of equipment or capital outlay requires a cash match. As an exception, increases to a JCPC administrative fund do not require cash match.)

We provide this timely notification of discretionary fund awards to ensure that all local approvals by the JCPC and local county commission boards may be accomplished. Please note the following timeline to insure timely disbursement of discretionary fund awards:

- **April 5, 2017 (COB)** Discretionary Award Notifications made to providers/ JCPCs.
- **April 6, 2017- May 6, 2017** - Programs/JCPCs awarded discretionary funds submit Program Agreement Revisions in NCALLIES for Consultant review, approval, and release for DocuSign electronic signatures.

Note: Program providers must follow the practices of the local JCPC when requesting discretionary funds to insure that JCPCs and County Commission Boards have ample time to approve county allocation increases via discretionary awards.

- **May 6, 2017- All** Program Agreement Revisions must be locally approved and signed via DocuSign.

Thank you for your continued investment in the youth and families of North Carolina through the valuable services that you offer. It is our hope that this discretionary fund award will further enhance the services provided to our youth by your agency.

Kind regards,

Cindy Porterfield, Director
Juvenile Community Programs
