BUDGET IMPACT

General Fund: Increase federal revenue by \$30,000. Increase expenditures by \$30,000. No additional County funds.

BACKGROUND

These funds are used to assist and train foster children to become more independent as they reach adulthood. We have used a large amount of these funds already in FY25 for our teens to attend a conference, therefore we are requesting to appropriate additional funds in this account for the remainder of the year. These funds are reimbursed 100% with Federal dollars.

** Decreases in expenditures and increases in revenue accounts require brackets. Increases in expenditures and decreases in revenue do not require brackets. Please note that transfers between funds require inter-fund transfer accounts.

Due to the Daniel Memorial Conference expense, we used a large amount of Special LINKS funds early in the budget year. Therefore, we are requesting to appropriate additional funds to get through the remainder of the year. These funds are used to assist and train foster children to become more independent as they reach adulthood. These funds are reimbursed 100% with Federal dollars.
