

Planning Board Item IV- GENERAL PUBLIC HEARING INFORMATION (Rezoning – Z17-03)

Board of Commissioners/Planning Board Public Hearing Date February 14, 2017

General Rezoning Application-Z17-03 for Various Parcels

Request: This is a request to rezone Parcel Number 182912 from the (R-1) Single Family Limited Zoning District w/CH and US Overlays to (C-1) Light Commercial Zoning District w/CH and US Overlays.

Applicant: Hailey Ratchford Stacy

Property Owner: Hailey Ratchford Stacy and others

Mailing Address of Applicant: 1411 Hickory Grove Road, Gastonia, NC 28056

Site Information and Description of Area:

General Location: 1411 Hickory Grove Road, Gastonia, NC 28056

Tax Parcel Number(s): 182912

Township: South Point

Current Use of Property: Residential

Total Acreage in Parcel(s): .28 acres

Acreage for Map Change: .28 acres

Current Zoning District(s): (R-1) Single Family Limited with (CH) Corridor Highway Overlay and (US) Urban Standards Overlay

General Area Zoning Districts: (R-1) Single Family Limited, (C-3) General Commercial, with (CH) Corridor Highway Overlay and (US) Urban Standards Overlay

General/Adjacent Land Use(s): residential, commercial

Zoning District Information:

Current Zoning District(s):

R-1 SINGLE FAMILY LIMITED

The purpose of this district is to accommodate single family site built and modular construction. The minimum lot size allowed in this district will be dependent on the provision of public or community water and sewer facilities. Although areas may be served with such utilities, most of these areas are located beyond existing or anticipated utility service coverage areas. The minimum lot size for residential uses in this district is therefore larger than in other residential zoning districts.

CH Corridor Highway Overlay District

The purpose of the CH District is to preserve and enhance the streetscape along designated corridor highways in Gaston County. A CH District may exist along the entire length of a roadway or along any identifiable segment of a roadway. Any CH District initially established shall contain a minimum length of at least one thousand (1,000) linear feet as measured along one side of a designated corridor highway. The CH District shall consist of all lots fronting on the corridor highway for a depth of two hundred-fifty (250) feet as measured from the centerline of the corridor highway (for a total width of five hundred (500) feet), unless otherwise indicated on the Zoning Map. Although such corridor highways may vary in character, particular aspects of development along those roads raise common concerns and should be managed in a consistent way in order to preserve and enhance the streetscape.

USO URBAN STANDARDS OVERLAY DISTRICT

Areas of the County which are located outside their corporate limits and /or municipal Extra Territorial Jurisdiction (ETJ) but where the provision of public water and sewer services can reasonably be expected to occur over the next 10-15 years, have been designated as the "Urban Standards Overlay District".

Accordingly, standards for development, more akin to those that traditionally are found in urban areas, as opposed to rural areas, are called for. Standards addressed, but not limited to: building design, off-street parking, road, lot and subdivision standards.

Note: If any portion of the subject property is within the USO, then the entire property shall be developed in accordance with USO standards.

Proposed Zoning District:

C-1 LIGHT COMMERCIAL

The C-1 Light Commercial District is designed to accommodate a large variety of retail uses designed to meet the needs of individual neighborhoods, or other relatively small geographic areas. Stores and shopping complexes are therefore relatively small in size and are designed to be compatible and integrated with adjoining residential neighborhoods. This zoning district is not intended to accommodate retail uses which attract persons from outside the neighborhood or which attract large numbers of passing motorists.

CH Corridor Highway Overlay District

The purpose of the CH District is to preserve and enhance the streetscape along designated corridor highways in Gaston County. A CH District may exist along the entire length of a roadway or along any identifiable segment of a roadway. Any CH District initially established shall contain a minimum length of at least one thousand (1,000) linear feet as measured along one side of a designated corridor highway. The CH District shall consist of all lots fronting on the corridor highway for a depth of two hundred-fifty (250) feet as measured from the centerline of the corridor highway (for a total width of five hundred (500) feet), unless otherwise indicated on the Zoning Map. Although such corridor highways may vary in character, particular aspects of development along those roads raise common concerns and should be managed in a consistent way in order to preserve and enhance the streetscape.

USO URBAN STANDARDS OVERLAY DISTRICT

Areas of the County which are located outside their corporate limits and /or municipal Extra Territorial Jurisdiction (ETJ) but where the provision of public water and sewer services can reasonably be expected to occur over the next 10-15 years, have been designated as the "Urban Standards Overlay District".

Accordingly, standards for development, more akin to those that traditionally are found in urban areas, as opposed to rural areas, are called for. Standards addressed, but not limited to: building design, off-street parking, road, lot and subdivision standards.

Note: If any portion of the subject property is within the USO, then the entire property shall be developed in accordance with USO standards.

2035 COMPREHENSIVE LAND USE PLAN:

Small Area Districts:

Northeast (Riverfront Gaston) Key issues: open space preservation, road improvements and better connectivity, increased job opportunities, maintaining the rural "feel" of the area, increased commercial opportunities.

STAFF COMMENTS: It is staff's opinion the request is consistent with the Comprehensive Land Use Plan.

TECHNICAL REVIEW COMMITTEE (TRC):

Request was reviewed by TRC for comment and general compliance with applicable regulations and provisions. The Technical Review Committee is made up of various technical land use reviewing agencies such as North Carolina Department of Transportation (NCDOT), Environmental Health, Gaston Cleveland Lincoln Metropolitan Planning Organization (GCLMPO); Fire Marshall, etc. which reviews all land use proposals and site plans requiring Planning Board approval, and/or public hearing process.

NOTIFICATION:

Newspaper advertisement of public hearing was advertised in Gaston Gazette in accordance with County policy.

ZONING SIGN PLACED ON PROPERTY: February 3, 2017

MAIL NOTIFICATION:

Notice of the hearing was sent to adjacent property owners on February 3, 2017. Comments, if any, from the notification will be provided during public hearing.

Commission Expiration

(I/We), also agree to grant permission to allow employees of Gaston County to enter the subject property during reasonable hours for the purpose of making Zoning Review.

Please be advised that an approved general rezoning does not guarantee that the property will support an on site wastewater disposal system (septic tank). Though a soil analysis is not required prior to a general rezoning submittal and/or approval, the applicant understands a chance exists that the soils may not accommodate an on site wastewater disposal system thus adversely limiting development choices/uses unless public utilities are accessible.

If the application is not fully completed, this will cause rejection or delayed review of the application. In addition, please return the completed application to the Planning and Development Services Department within the County Administrative Building located at 128 West Main Avenue, Gastonia, NC 28052.

APPLICATION CERTIFICATION

(I/We), the undersigned being the property owner/authorized representative, hereby certify that the information submitted on the subject application and any applicable documents is true and accurate.

FOR DISPLAY PURPOSES ONLY - NOT TO BE USED FOR CONVEYANCE

This map is intended for use by the Gaston County Board of Commissioners, in the review of zoning change requests. Property parcels, zoning, transportation and other map information were compiled from new or state data layers. The data is periodically updated, however all data layers may not be displayed. Street names are subject to change.

Gaston County does not make or imply or warrant or assume any responsibility for the information presented on this map. This map was prepared by the Department of Planning and Development Services.

This map is for zoning purposes only - Not to be used for conveyance. Notes: For purposes of clarity, County Zoning is not shown at road right of ways and other selected features. Where different zoning is shown on opposite sides of the road and other features, the zoning areas are understood to meet at the center of the feature. In the event that a road right of way is unrecorded and removed, areas with different zoning types will meet in the center of the area. Please see the Zoning Administrator for additional information.
