## STAFF SUMMARY

**Prepared By: Laura Hamilton, Planner III**

Planning staff finds that the application as presented is consistent with the Gaston County Comprehensive Land Use Plan (CLUP) as the request does encourage the purpose, intent, and goals for Area 4 of the CLUP.

This property is in an industrial/commercial area in the county's southern region. The location is primarily industrial and commercial type uses, with some residential on the side roads.

The facility had a generator repair shop on it. The owner wants to change to a use, and possible future uses, which are currently not allowed or allowed easily in the industrial zoning district.

## PLANNING BOARD RECOMMENDATION

The Planning Board recommended approval of this request 7-1 on February 6, 2023 based on the following:

The application and request is consistent with the Gaston County Comprehensive Land Use Plan (CLUP). The Garden Gaston area of the CLUP is characterized as having plenty of open space, pockets of commercial centers, and development set back off the road. The request also encourages the goals of the industrial future land use designation as the requested zoning district will provide opportunities for manufacturing and industrial-based uses as well as small businesses.
