To Whom It May Concern:

Metrolina Healthcare Preparedness Coalition is excited to be awarding Gaston Emergency Medical Services three heating and cooling units for their DLX X40 shelters. The addition of these heating and cooling units will assist in supporting the DLX as an alternate medical care shelter in response to a large incident, both in Gaston County and throughout our region.

The items have been purchased with funds from ASPR/NCOEMS and approved by our steering committee in the amount of \$31,352.95. The items are directed to be shipped directly to Gaston Emergency Medical Services due to their size and a transfer of ownership will be drafted and signed once they are delivered.

We look forward to our continued collaboration with Gaston Emergency Medical Services as one of our regional partners.

Sincerely,
Kariena Bernesser
