I, Donna S. Buff, Clerk to the County Commission, do hereby certify that the above is a true and correct copy of action taken by the Board of Commissioners as follows:

- d. Amount authorized for this strategy: \$65,197.00
- e. Period of time during which expenditure may take place:
Start date July 1, 2024 through End date June 30, 2025
- f. Description of the program, project, or activity: Gaston County EMS Naloxone Expansion

In 2024, Gaston County has been noticing a downward trend in reported opioid overdoses compared to 2023, largely attributed to the high saturation of Naloxone in the community. Gaston County EMS will use Naloxone to create community kits which will be distributed to any patient of theirs who suffered an overdose and is being transported to the ED, patients who refused transport to the ED, family members of patients, and any community member who wishes to have Naloxone on hand. Allotments of Naloxone will be given to Gaston County Public Schools, Gaston County Public Health Department, and to Gaston County first responders as part of their efforts to reduce fatal overdoses in the community.

- g. Provider: Gaston County EMS

The total dollar amount of Opioid Settlement Funds appropriated across the above named and authorized strategies is \$65,197.00.

Adopted this the 25th day of June, 2024.

Gaston County Board of Commissioners
