NOW, THEREFORE, BE IT RESOLVED by the County Commission that after consideration of the map change application, public hearing comment and Planning Board recommendation:

- 1) The map change request is consistent with the County's approved Comprehensive Plan and the property in question is in a future land use designation of Rural. Rural areas support residential housing on large lots and some businesses, particularly agriculturally-related businesses. The proposed rezoning from R-1 to C-1 is consistent with the future land use plan, as the parcel to the immediate north is zoned I-2. There are also other parcels nearby that are zoned either commercial or industrial. For these reasons, a rezoning of the subject property from R-1 to C1 is consistent with the future land use plan. The Commission considers this action to be reasonable and in the public interest, based on: Planning Board recommendation and compatibility with existing land uses in the immediate area. Property parcel: 154004, be approved, effective with the passage of this Resolution.
- 2) The County Manager is authorized to make necessary notifications in this matter to appropriate parties.
