Reference: Appropriating Funds

On Tuesday January 10, 2023, I recycled 1,810 pounds of spent ammunition casings that were previously used for training and then collected by agency personnel. I utilized Webb Metals located at 1305 Philadelphia Church Road, Dallas NC 28034 because they had the highest conversion rate in Gaston County for the type of metal/material and we have previously used them to recycle spent ammunition shell casing. Webb Metals provided me with a check for \$3,253.00 and a printout detailing the recycled material.

I am requesting the Gaston County Board of Commissioners and you to authorize these funds to be returned to the Gaston County Police to be used for the purchase of law enforcement equipment.
