Gaston County's committee contains a diverse group of members and has subcommittees dedicated to the work ahead. The grant funding from the NCDNCR will assist in the purchase of branded materials, the printing of brochures and bookmarks, and helping raise awareness of key historical events in Gaston County as part of the celebration of America's 250th birthday.

POLICY IMPACT

This expenditure of the grant funds by the Gaston County 250 Committee aligns with several of the goals of Gaston County's 2024-28 Strategic Plan, including: Improve Community Engagement; Promote Enjoyment of Gaston County's Diverse Historic, Artistic, Recreational, and Natural Resource Assets; and Improve Equitable Access and Diverse Representation in Programming and Resources.

- (3) Level III – A grantee or subrecipient that receives, holds, uses, or expends State financial assistance in an amount equal to or greater than five hundred thousand dollars (\$500,000) within its fiscal year.

Reporting requirements for grantees that meet the following reporting standards on an annual basis:

- (1) All grantees and subrecipients shall provide a certification that State financial assistance received or, held was used for the purposes for which it was awarded.
- (2) All grantees and subrecipients shall provide an accounting of all State financial assistance received, held, used, or expended.
- (3) Level II and III grantees and subrecipients shall report on activities and accomplishments undertaken by the Grantee, including reporting on any performance measures established in this Contract.
- (4) Level III grantees and subrecipients shall have a single or program-specific audit prepared and completed in accordance with Generally Accepted Government Auditing Standards, also known as the Yellow Book.

All reports shall be filed with the Agency in the format and method specified by the Agency no later than three months following the end of the Grantee's fiscal year. Audits must be provided to the funding Agency no later than nine months following the end of the Grantee's fiscal year. The Grantee shall use the reporting package forms provided by the Agency in making and submitting reports to the Agency.

Unless prohibited by law, the costs of audits made in accordance with the provisions of this Contract shall be allowable charges to State and Federal awards. The charges may be considered a direct cost or an allocated indirect cost, as determined in accordance with cost principles outlined in the Code of Federal Regulations, 2 CFR Part 200. The cost of any audit not conducted in accordance with this Contract shall not be charged to State awards.

Notwithstanding the provisions of this Contract, a grantee may satisfy the reporting requirements of this Contract by submitting a copy of the report required under federal law with respect to the same funds.
