

GASTON COUNTY PLANNING BOARD

Statement of Consistency

In considering the general rezoning case REZ-23-06-05-00151, the planning board finds:

1. This is a reasonable request and in the public interest; and
2. It is consistent with the goals of the comprehensive land use plan as it will keep the parcel residential in nature and maintain the rural “feel” of the area, which is consistent with the rural future land use designation and vision of the parcel.

These findings are supported by an 8 - 0 vote by the Gaston County Planning Board during its July 10, 2023, meeting.
