BUDGET ORDINANCE IMPACT

Transfers vehicle ownership to the Ranlo Fire and Rescue vehicle #192.

BACKGROUND

Gaston County has designated Vehicle #192 (VIN# 1FDSE35F3YHA47332) to be in poor condition, uneconomical for continued use and as having met the established surplus criteria. This vehicle was previously declared surplus and authorized for sale via Resolution 2017-042 adopted February 14, 2017. Vehicle #192, previously assigned to GEMS, is a 2000 Ford E-350 with approximately 161,291 miles. Ranlo Fire and Rescue has requested this surplus vehicle. Pursuant to N.C.G.S. 160A-274, this Board Action authorizes the County Manager to transfer Vehicle #192 to Ranlo Fire and Rescue for \$1, in the event the vehicle is not in acceptable condition at the time of transfer, to substitute another, similar surplus vehicle. Further, this transfer is conditioned upon the understanding that all expenses including, but not limited to, repairs, motor fuels and lubricants, tag, inspections and any other costs associated with purchase and ownership will be the sole responsibility of Ranlo Fire and Rescue. Ranlo Fire and Rescue agrees to use the vehicle only for official agency use, the vehicle may not be sold or title transferred to another person or entity for a minimum of two years after purchase from Gaston County and the vehicle is purchased in "as is, where is" condition except County owned equipment which will be removed. Gaston County does not warrant in any way the condition or future operation/reliability of said vehicle. Approval of the Board Action authorizes the County Attorney to prepare a written agreement establishing the terms and conditions of the vehicle sale and authorizes the County Manager or her designee to execute said agreement and other documents as may be necessary for vehicle sale and title transfer to Ranlo Fire and Rescue.

Dear Mr. Lamphiear,

We at Ranlo Fire and Rescue would like to request Ambulance 192 be surplussed back to us once our new ambulance is placed in service. Our plan is to use Ambulance 192 as a back up ambulance and a second ambulance when needed. We understand that the equipment currently on Ambulance 192 is county owned and will need to be placed on the new ambulance once it is in service. We understand that we will need to provide our own equipment on Ambulance 192 in order to use it. If you need any other information, let me know.

Thanks,

Chip Carr
