Dear Sir,

In January of this year Melba passed and we are working through the estate. One of our items is to donate the funds from her campaign account. As Melba was an avid believer in your program and even adopted several of your k-9s, we could not think of a better institution to receive these funds. Please accept the enclosed check and use it as you see fit to help the animals in your care.

Sincerely yours,

The Family of Melba Reese
