** Decreases in expenditures and increases in revenue accounts require brackets. Increases in expenditures and decreases in revenue do not require brackets. Please note that transfers between funds require inter-fund transfer accounts.

This Board Action and BCR transfers \$64,000 from the Capital Fund to the General Fund for a necessary Idemia software update. The current software is expiring and the vendor will no longer provide support or maintenance. The funds were approved and budgeted for radios; the department is transferring the funds and delaying the radio purchase due to this unanticipated IT need. No additional County funds are being appropriated.
