JUSTIFICATION FOR REQUEST:

Necessary repairs would exceed the value of the vehicles due to the vehicles being deemed as a total loss resulting from the vehicles involved in an accident. This Budget Change Request appropriate the funds of the sale of surplus vehicles into an account to replace vehicles that will require repairs that either exceed the value of the vehicles, or from practicality standpoint does not make good business sense to continuing maintaining.

** Decreases in expenditures and increases in revenue accounts require brackets. Increases in expenditures and decreases in revenue do not require brackets. Please note that transfers between funds require inter-fund transfer accounts.
