This amount is the violation fee and is in addition to the cost of the inspection and the cost of the applicable site visit. The cost of the initial inspection is charged each time one of these inspections are completed except for the 1st site visit if all violations are corrected. For example, if this is the 2nd site visit for a building that is 2600 sq ft, the cost would be \$140 + \$190, regardless if all violations have been corrected or not. If this is the 2nd site visit for the same building and the violations are severe fire hazards, the cost would be \$140 + \$190 + \$450 **This amount is the violation fee and is per/violation. No inspection fee is charged when the inspection is generated from a complaint**
