6.2.1

G. RMF RESIDENTIAL MULTI FAMILY

The purpose of this district is intended primarily as a residential district for the location of single family, two family and multifamily dwellings along with their customary accessory uses so as to establish areas where development patterns are somewhat denser than surrounding areas. In order to ensure that developments are well planned and compatible with adjoining residential uses, density levels of development in excess of six (6) **eight (8)** units per acre are allowed subject to the issuance of a ~~Conditional Use Permit (CUP) by the Board of Adjustment~~ **Conditional Use District (CD)**. This district should have access to public or community water and sewer utilities.

8.1.17 PRIVATE RESIDENTIAL QUARTERS

Private residential quarters shall be permitted as an accessory use to any single-family detached dwelling unit (excluding manufactured homes) in accordance with the following requirements:

- A. The same person shall own the private residential quarters and principal dwelling units. The owner of the principal dwelling unit shall live on-site.
- B. A disabled person, family member, an occasional guest or live-in servant shall occupy the private residential quarters.
- C. The private residential quarters shall not serve as a rental unit for gain (except in a Traditional Neighborhood Development).
- D. The private residential quarters may be attached to or separate from the principal dwelling unit. Except in a TND, the private residential quarters may be located in a separate accessory structure if the area of the lot is at least one-hundred fifty (150) percent that of the smallest approved lot size for the TND.

Example: The smallest lot is five thousand (5,000) square feet. The minimum lot size for the lot containing the PRQ to be in an accessory structure shall be a minimum of seven thousand five hundred (7,500) square feet.

- E. If the private residential quarter is in a detached structure, it shall be served by the same driveway accessing the principal structure.
- F. The ground floor area of the private residential quarters shall be no greater than fifty (50) percent of the ground floor area of the principal dwelling unit, or seven-hundred fifty (750) square feet, whichever is less.

- G. If the private residential quarter is located in an accessory structure, said structure shall be located in the rear or side yard. No such structure shall be located closer than fifteen (15) feet from any side or rear lot line (except in a TND). The accessory structure housing the private residential quarters shall not exceed the height of the principal dwelling.

- H. No more than one (1) private residential quarter per lot shall be allowed.
- I. A private residential quarter shall have at least two (2) off-street parking spaces.

J. A manufactured home is not allowed to be used as a private residential quarter.

8.4.29 CONFERENCE / RETREAT / EVENT CENTER

- A. The facility may only be used by organized groups for educational or recreational purposes.*
- B. All activities of the facility including the parking lot must meet the zoning district setbacks.*
- C. In the residential districts a minimum screening buffer of Type B is required.*

Chapter 10 ----

SECTION 10.12 PARKING AND STORAGE OF BOATS AND OF RECREATIONAL VEHICLES

- A. A recreational vehicle shall not be deemed a dwelling unit. A recreational vehicle, except in a camping and recreational vehicle park or on an approved space within a Manufactured Home Park shall not be used for living, sleeping or housekeeping purposes.
- B. The following provisions apply to all lots in a residential zoning district, except for lots over five (5) acres in size located in a R-1, R-2 and R-3 zoning district:
 - 1. No more than one (1) recreational vehicle (i.e., RV motor home, travel trailer) over eight (8) feet in height and no more than one (1) boat or trailer combination over eight (8) feet in height may be parked on a lot containing a principal single-family dwelling.
 - 2. Such recreational vehicle shall be parked behind the ~~rear~~ **front** building line of the principal building and shall be located no closer than **fifteen (15) feet from the property line in the side yard or** five (5) feet from any property **line**

in the rear yard and on a gravel or hard surface parking area. Recreational vehicles that do not belong to the property owner but to visiting guests may be parked beyond the front building line of the principal structure for a period not to exceed fourteen (14) consecutive days. No greater than three (3) such parking events may be allowed per calendar year on any lot. In no case shall the vehicle be parked in a manner that impairs motorists' vision. Otherwise, such vehicles shall be parked in an enclosed garage.

3. *Such boat or trailer combination shall be parked behind the rear building line of the principal building and shall be located no closer than five (5) feet from any property line.*

C. For multifamily developments that have designated areas for the parking of boats or recreational vehicles, such areas shall be located outside of any required setback, buffer, or landscaped area.

Chapter 13 ----

SECTION 13.11 SUBMITTAL REQUIREMENTS FOR PRELIMINARY AND FINAL PLAT

D. The following procedures and requirements must be followed to get preliminary plat approval:

3.w. Interior Blocks

~~In cases where subdivisions create an interior block surrounded by roadways, streets, etc. the interior block shall have at least one (1) control monument and shall be tied to at least one (1) control monument outside of the interior block.~~ **Reserve**

SECTION 13.28 MONUMENTS REQUIRED

13.28.1 CONTROL CORNER **RESERVED**

~~In accordance with article 5A, chapter 39 of the North Carolina General Statutes, whenever a subdivider shall divide any parcel of real estate into lots and lay off streets, he shall cause at least two (2) or more corners of the development to be designated as a control corner and place at such control corner a permanent marker. The permanent marker shall be as prescribed in the G.S. 47-30 mapping requirements, as amended; standards of practice for land surveying in North Carolina, amended effective~~
