X. Fraud, Waste and Abuse:

The grantee, including its employees, contractors, agents, interns, or any subrecipients, shall report suspected fraud, waste and abuse activities related to any state employee, vendor or sub recipient of state funds or state resources.

There are three methods for reporting suspected fraud, waste or abuse (FWA). Grantee can report suspected FWA directly to the Agency's Audit Services Division, to any member of the Agency's management team or through the FWA reporting website below.

N.C.G.S. 143-748 permits Audit Services to treat all information as confidential. However, if an individual wishes to remain anonymous, reports can be submitted through the FWA reporting website: <https://www.ncagr.gov/internalaudit/ReportForm.htm>

Under no circumstances should an individual attempt to personally conduct investigations or interviews /interrogations related to any suspected FWA act.

Investigation results will not be disclosed or discussed with anyone other than those who have a legitimate need to know. This is important to avoid damaging the reputations of persons suspected but subsequently found innocent of wrongful conduct.

It is the Agency's policy that employees/contractors/sub recipients/interns will not suffer retaliation or harassment for reporting in good faith any FWA concerns. The Agency encourages openness and will support anyone who raises genuine concerns in good faith under this policy, even if they turn out to be unsubstantiated.

If they choose, StRAP grantee organizations may be reimbursed for time spent by their staff while working on the StRAP project. Grantees should use this form when requesting reimbursement for the time spent by their staff. Only time spent directly on StRAP work can be reimbursed. A separate form should be filled out for each employee. Provide a detailed daily description of the work completed in the time period to be reimbursed. **Any amount of staff time reimbursed is considered as project administration (which is capped at 15% of total reimbursements).** The first time this form is submitted for an employee, please include a letter from the finance office stating the employee's salary and benefits as an hourly rate. Please consult the StRAP contract for more information on using a portion of awarded funds for reimbursement of project administration costs.

Please attach a letter from your finance department outlining the employee's hourly pay rate.
