NOW, THEREFORE, BE IT RESOLVED by the County Commission that after consideration of the map change application, public hearing comment and Planning Board recommendation:

- 1) The map change request is consistent with the County's approved Comprehensive Plan. The property in question is in a future land use designation of Rural. Rural areas support residential housing on large lots and some business, particularly agriculturally-related businesses. The proposed rezoning from R-1 to R-2 is consistent with the future land use plan, as the parcel is in a residentially zoned area. Rezoning the property to R-2 will keep the character of the area. The Commission considers this action to be reasonable and in the public interest, based on: Planning Board recommendation and compatibility with existing land uses in the immediate area. Property parcel: 219414, be approved, effective with the passage of this Resolution.
- 2) The County Manager is authorized to make necessary notifications in this matter to appropriate parties.
