Dear CFWYI State Grantees,

I hope you're doing well!

You may now begin entering your budgets for FY25-26. Award amounts and first quarter disbursement totals for DV and SA Center funds are included in the chart below, with marriage license fee and divorce filing fee amounts shown as projections. The attached Budget Entry Instructions are the same as last year, and your

region team is ready to assist if you have a new Executive Director or budget staff member who needs help getting started.

We are still operating under a continuation budget, so award shares are based on that amount for now. If there are any changes once the state budget is certified, we will share that information with you right away. To be included in the August disbursement, please submit your DV/SA or SASA budget in EBS by **Friday, August 22, 2025**. All budgets, including collections, must be submitted no later than **Friday, September 5, 2025**. We will issue payouts weekly until completed starting August 29th.

NOTE: To receive your first quarter disbursement, you must also have, an executed FY25–26 contract, all FY24–25 semi-annual data submitted, and no active corrective actions from the previous fiscal year.
