

GASTON COUNTY

Office of the County Attorney

William T. Stetzer

To the staff at GCACG,

Thank you! Everyone I met while trying to adopt a new dog were wonderful. Your love for what you do was so obvious - the County is lucky to have people like you.

Nemo is now called Sampson, and he loves his new home. He is already spoiled rotten. This small donation is just my way of saying thank you for taking care of all of the pets that need you. Sincerely,
Bill
