JUSTIFICATION FOR REQUEST:

This buget change request transfers funds to the appropriate expenditure account. This is for the purchase of a metal building to house public safety vehicles and equipment.

Originally it was not clear that all \$50,000 would be needed for the building. This transfer moves all of the funding from the General Fund to the General Government Capital Fund.

** Decreases in expenditures and increases in revenue accounts require brackets. Increases in expenditures and decreases in revenue do not require brackets. Please note that transfers between funds require inter-fund transfer accounts.
