

**RESOLUTION TITLE: TO ADVISE THE NORTH CAROLINA DEPARTMENT OF TRANSPORTATION THAT GASTON COUNTY DOES NOT OBJECT TO A PARTIAL CLOSING OF SR-1107 (CROWDERS CREEK CHURCH ROAD)**

WHEREAS, a certain state-maintained road known as Crowdres Creek Church Road, SR-1107, exists in Gaston County; and,

WHEREAS, said road is approximately 0.55 miles in length and is a dead-end road; and,

WHEREAS, a property owner wishes to close the southernmost 0.25 miles of said road; and,

WHEREAS, the North Carolina Department of Transportation (NCDOT) requires the County Commissioners recommend to the NCDOT that a state-maintained road be removed from the state road system before the NCDOT makes a final determination as to whether or not to remove such road from the road system; and,

Subject: Resolution for petition to abandon a portion of SR 1107, Gaston County

Mr. Mathers:

The District Office of NC DOT in Shelby has received a petition to abandon a portion of State maintained road SR 1107 (Crowders Creek Church Road). 0.55 Mile of the road will be remain State maintained from SR 1103 (Crowders Creek Road). The portion to be abandoned is a 0.25 mile section at the end of the dead end road. Mr. Carl Long has requested this abandonment because he owns the property on both sides of the road for the last 0.25 mile of the road, and would like to put up a gate to keep people from accessing his property. The new end of state maintenance would be at Mr. Long's property line.

Please send a resolution letter from Gaston county if you are in favor of this abandonment.

If any additional information is needed, please let me know.

Sincerely,

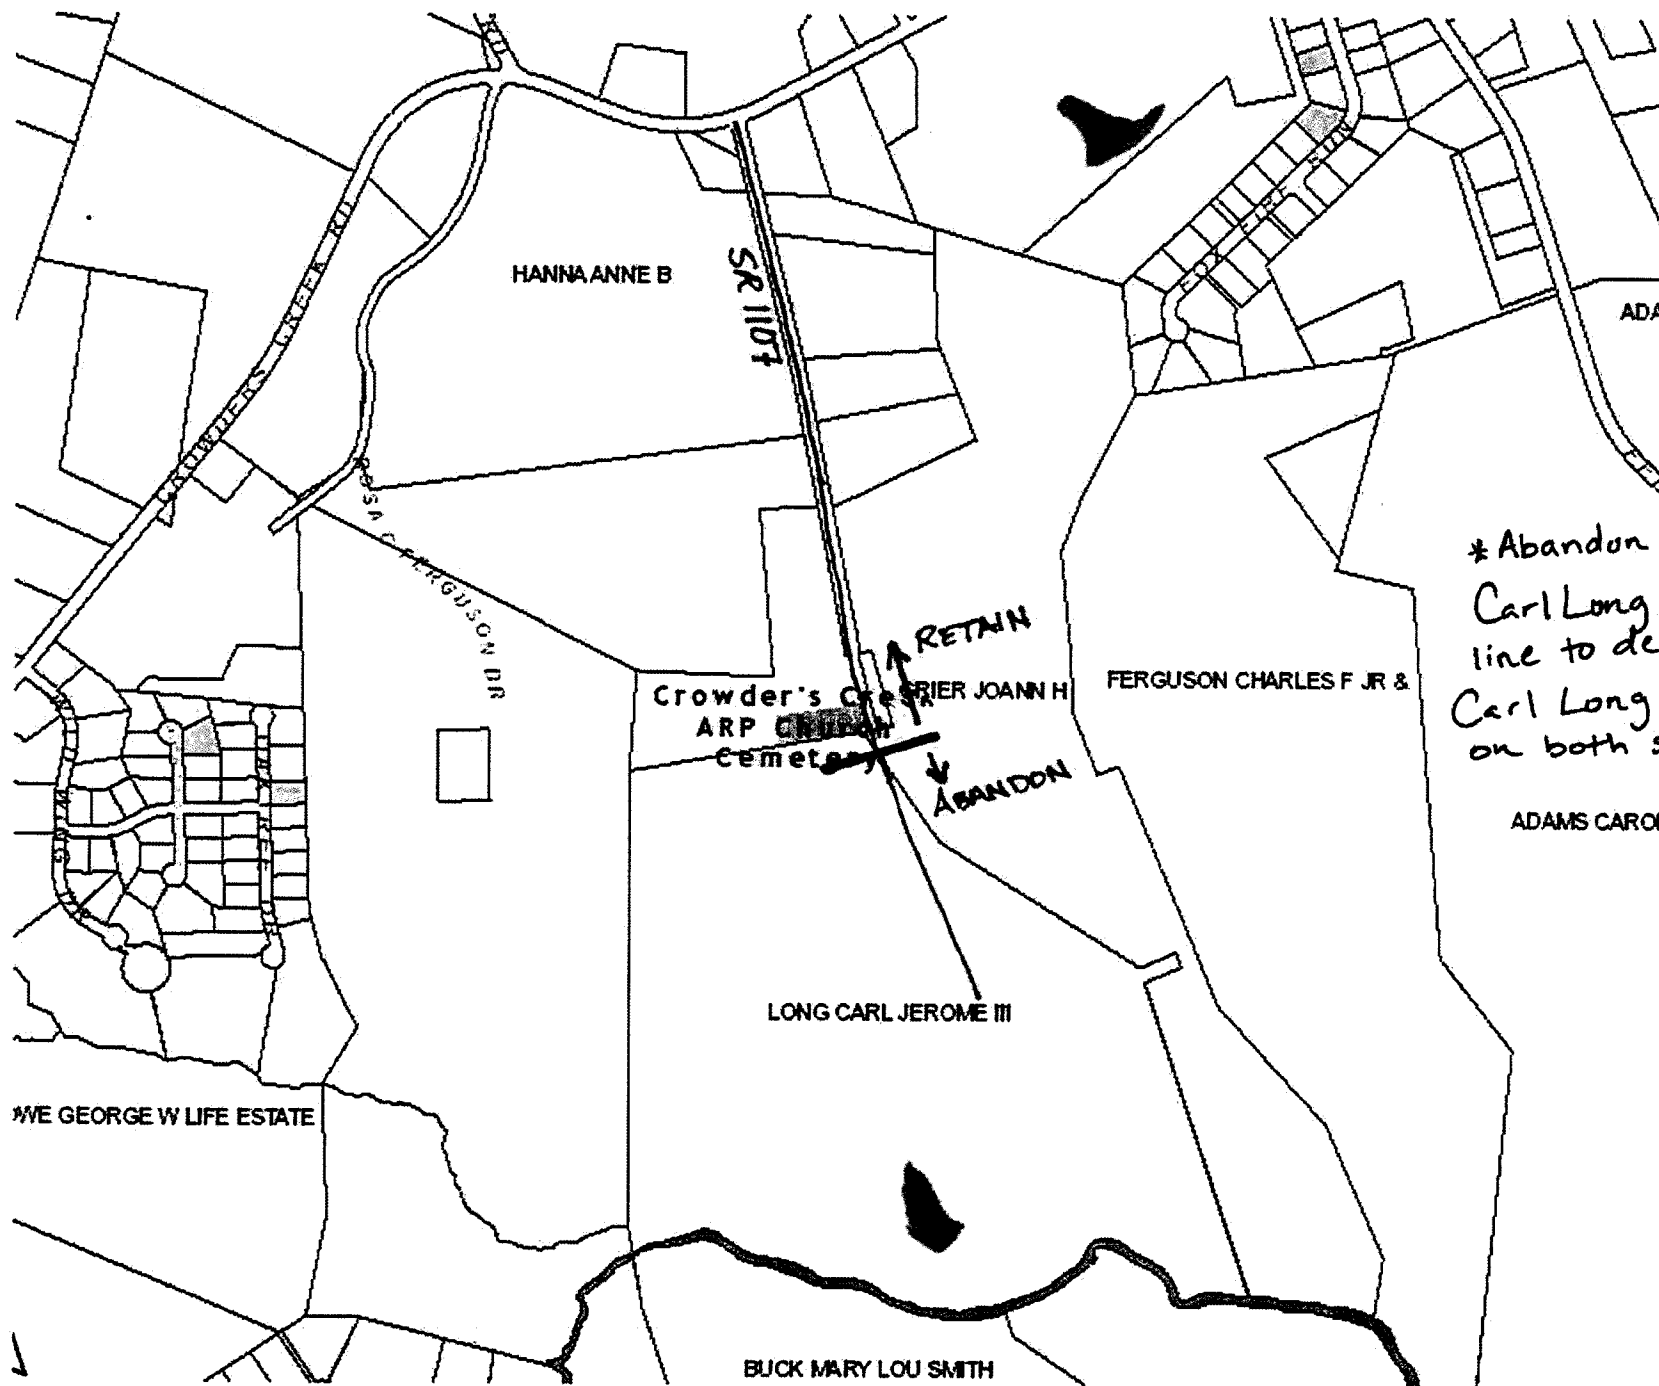

A handwritten signature in cursive script that reads 'Caleb Whitby'.

### BACKGROUND

A property owner on Crowders Creek Church Road requested the North Carolina Department of Transportation (NCDOT) close a portion of Crowders Creek Church Road. The road is a state-maintained road. Before the NCDOT decides on the request, the NCDOT needs Gaston County to state whether or not closing the road will adversely impact the health, safety and well being of the surrounding area. Gaston County is unable to unilaterally close the road, as Gaston County does not own or maintain the road.

Gaston County Staff believes that the road closure will not adversely impact the surrounding area and does not anticipate emergency services to be negatively affected by the proposed road closure.
