Subject: FW: Surplus car

Gail,
Commissioner Fraley and the Principle at Cherryville High School requested we donate a surplus police vehicle for use in the schools public safety courses. The vehicle will be used as part of the vocational program to educate students on potential future in law enforcement. In addition, the vehicle will be used during those courses to familiarize students to the related equipment and operations of a law enforcement vehicle.

Subject: Surplus car

Gail,

I have spoken with Captain Dover and a car has been selected for surplus for Cherryville HS. The car information is as follows:

Vehicle #142	1998 Ford Crown Victoria	VIN# 2FAFP71W9WX130148	Current
miles 144,507			

Thanks for your help!
