### BACKGROUND

The Gaston County Public Works, Parks and Recreation, and Planning Departments worked together to develop and submit three (3) applications for grant funding opportunities through the Federal Congestion Mitigation and Air Quality (CMAQ) Program. Previous authorization to submit the three applications was approved via Board Actions 2011-319 and 2015-035. The projects include:

1. A nature trail from Dallas Park to Gastonia Technology Parkway (STIP# C-5606E);
2. A sidewalk to connect the Lowell sidewalk network to George Poston Park (STIP# C-5606J); and
3. A nature trail from Gastonia Technology Parkway to Rankin Lake.

Board Action 2016-027 was approved in January 2016 accepting grant funds from NCDOT for the nature trail from Dallas Park to Gastonia Technology Park (STIP# C-5606E), authorizing the County Manager or his designee to execute said documents and appropriating the necessary funds for expenditure purposes.

Approval of this Board Action accepts the grant award for STIP# C-5606K providing funding for construction of a nature trail from Gastonia Technology Parkway to Rankin Lake Park. Additionally, approval of the Board Action authorizes the
