### Area 4: The Garden Gaston

Key issues for citizens in this area include: road improvements and better connectivity to other areas of the County and throughout the region; another bridge crossing the Catawba River; increased walkability and connectivity between communities; continued coordination amongst local government agencies; and, maintaining enhanced quality of life.

### **Comprehensive Plan future Land Use: Rural Community**

Rural Communities are areas in the largely Rural areas where there is a number of residential buildings on smaller lots, built closer to the roadway. Driving through these areas, you feel like you are in a neighborhood. These areas may not serve a purpose other than providing homes, but still maintain a neighborhood look and feel

### **STAFF SUMMARY**

### Prepared By: Sarah Carpenter Penley, Senior Planner

This property is located in the south east region of the county and just west of the 321 Highway corridor. The location is two (2) vacant abutting lots on a residential street consisting primarily of site built and double wide manufactured homes in the immediate vicinity.

If approved, any uses allowed in the current zoning (R-2) zoning district would be permitted in accordance with standards and regulations as adopted in the Gaston County Unified Development Ordinance (UDO).

### PLANNING BOARD RECOMMENDATION

### **Scheduled Meeting Date: October 3, 2022**

Meeting Summary / Points of Discussion: Staff provided Board members with a brief presentation of the property, which included, a list of uses allowed by right within the (R-2) Single Family Moderate Zoning District. Board members had no questions or concerns.

The Board voted to <u>approve the application</u>, with a vote of (7) to (1) based upon the following statement of consistency:

The proposed rezoning is in the Rural Communities future land use plan. The area consists of residential buildings on smaller lots, built closer to the roadway. These areas may not serve a purpose other than providing homes, but still maintain a neighborhood look and feel. The use, going from (R-1) to (R-2) will maintain the subject parcel as residential in nature, which is consistent with the purpose of providing residential housing while maintaining a neighborhood look and feel within the Rural Communities designation.

**Subject:** GCLMPO Rezoning Review – Z22-25 111 McCarver Rd. (Gastonia)

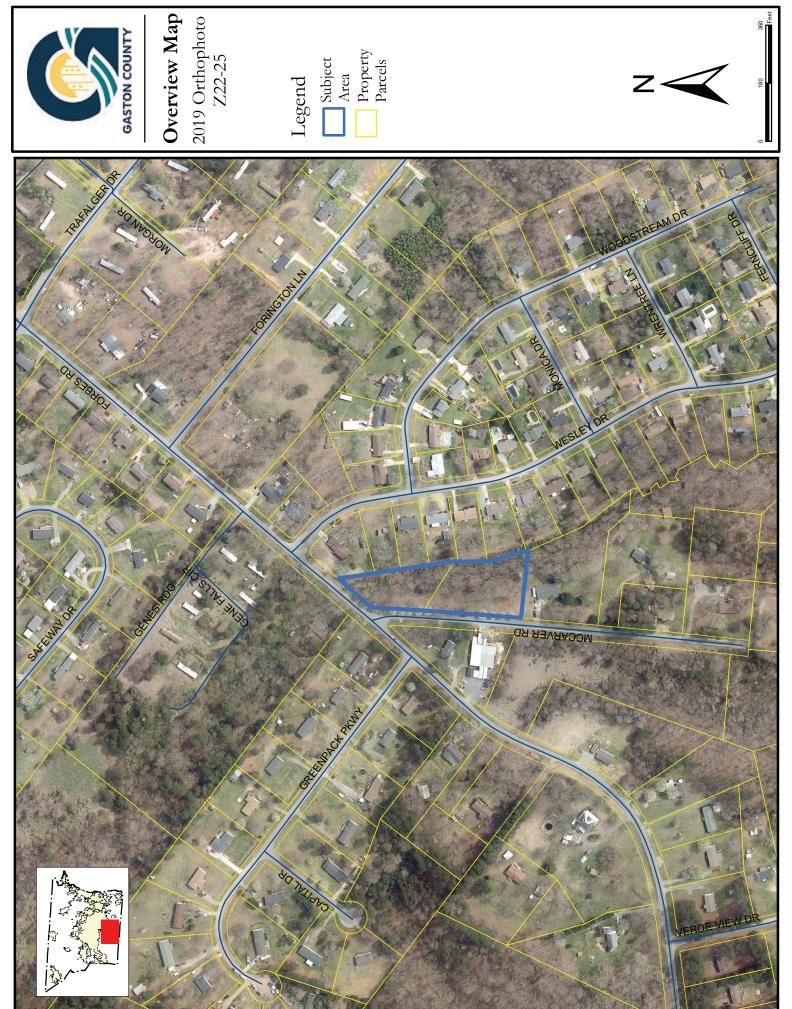

Thank you for the opportunity to provide comments on a proposed rezoning within the Gaston-Cleveland-Lincoln Metropolitan Planning Organization (GCLMPO) planning area. My comments are based on review of the site in accordance with the adopted Comprehensive Transportation Plan (CTP), the 2050 Metropolitan Transportation Plan (MTP), and the current State Transportation Improvement Program (STIP).

The site is located at 111 McCarver Rd, Gastonia, NC, 28056, USA. On behalf of the GCLMPO, I offer the following comments:

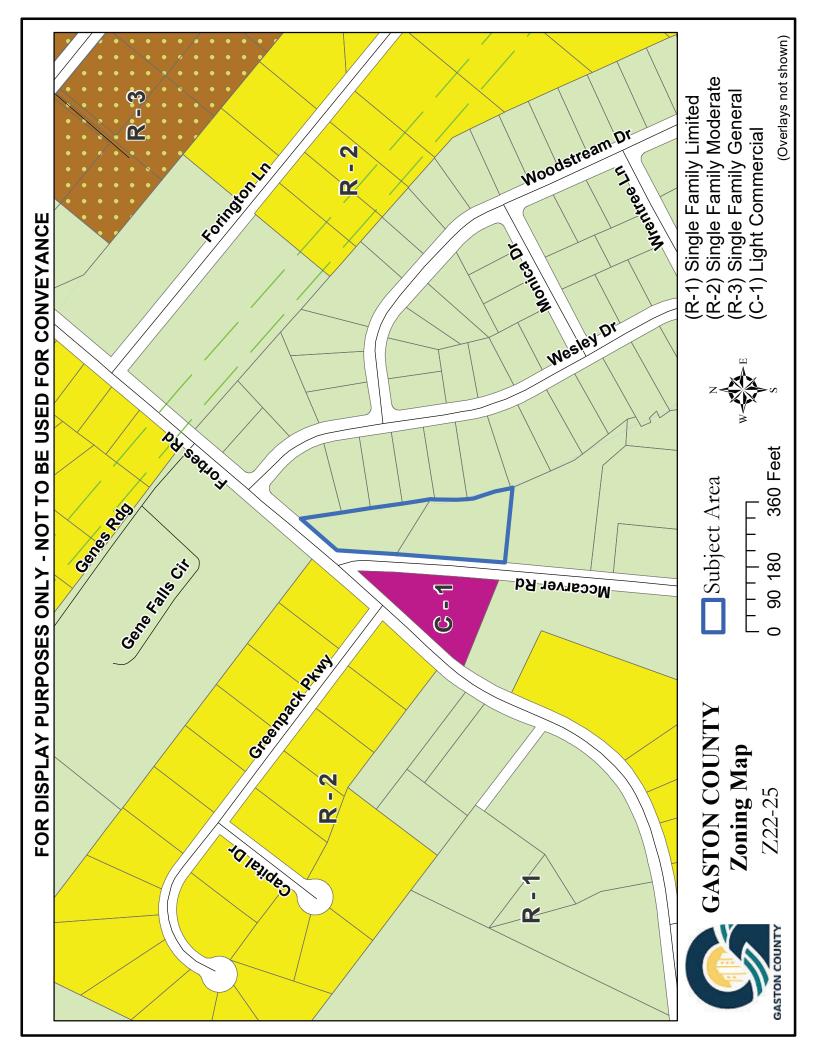

- 1. According to the 2020-2029 STIP, there are no funded transportation improvement projects in the immediate vicinity of this site.
- 2. Neither the GCLMPO 2050 Highway MTP nor Highway CTP include any proposed improvements to any streets adjacent to the subject property.
- Please note that for any site plan that requires a driveway permit on an NCDOT roadway, or is adjacent to NCDOT roadways, the property owner/developer should work with NCDOT on any required driveway permits or any TIA requirements.

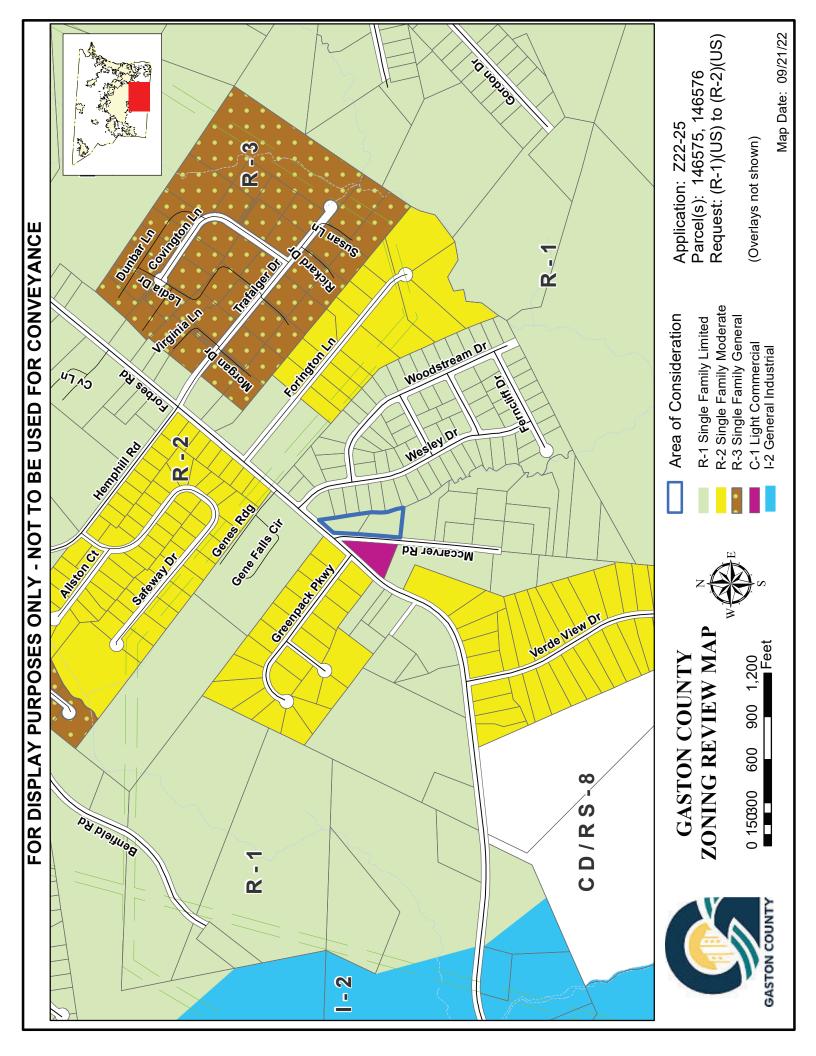

If you have any questions regarding my comments, please do not hesitate to contact me at 704-866-6980 or juliop@cityofgastonia.com.
