BACKGROUND

The Gaston County Sheriff's Office received a grant from the Governor's Crime Commission (GCC) for the purchase of APX6000 portable radios, software, and accessories. This will improve the interoperability across law enforcement agencies, first responders, and emergency management services.

In order to ensure standardization and compatibility with the existing radios, the Sheriff's Office received sole source approval from the granting agency (GCC). The Gaston County Uniform Guidance Policy & Procedures requires the approval of a sole source contract when the cost is above the micro-purchasing threshold (\$10,000). Approval of this Board Action authorizes staff to proceed with the sole source purchase from Motorola Solutions.
