

This map is intended for use by the Gaston County Board of Commissioners, in the review of zoning change requests.

Property parcels, zoning, transportation and other map information were compiled from one or more data layers. The data is periodically updated, however all data layers may not be displayed. Street names are subject to change.

Gaston County does not make or imply and warranties or assumes any responsibility for the information presented at this map. This map was prepared by the Department of Planning and Development Services.

This map is for zoning purposes only - Not to be used for conveyance.

Note: For purposes of clarity, County Zoning is not shown at road right of ways and other selected features. Where different zoning is shown in a proposed site plan or other features, the zoning areas are subject to meet the requirements of the feature. In the event that a road right of way is undesignated and removed, areas with different zoning types will meet in the center of the area. Please see the Zoning Administrator for additional information.
