This 21st Century Community Learning Center will support students attending Pleasant Ridge and Lingerfeldt Elementary Schools, both Title I schools in Gaston County. This is the third year of a 3-year grant. The program provides 150 slots in an after school program for K-5 students. The program addresses three specific areas of need that were identified through multiple data sources as critical elements to support students and their families: 1) academic performance in the classroom and EOG/K-2 assessment performance; 2) a character education program to help students make better choices; and 3) family services that will offer parents educational and person development opportunities that will assist them in supporting their children's academic and social development.

Note: Decreases in expenditures & increases in revenue accounts require brackets. Increases in expenditures & decreases in revenue do not require brackets. Please note that transfers between funds require interfund transfer accounts.
