BACKGROUND

Gaston County has designated the equipment/furniture listed below to be in poor condition, uneconomical for continued use, and as having met the established surplus criteria. This Board Action authorizes the County Manager to enter into an agreement with a public auctioneer to conduct a public auction, with payment of the auctioneer to come from a 10% buyer's premium charged to each successful bidder, and appropriates the auction sales funds into the Equipment/Furniture: \$250-\$4,999 account per the attached Budget Change Request. This Board Action formally declares the equipment/furniture listed below as surplus and authorizes their sale at public auction.

JUSTIFICATION FOR REQUEST:

Public Works will hold a surplus equipment/furniture auction in August. We estimate that the funds from this auction will be approximately \$3,000 and will be deposited into the General Fund. This Board Action and Budget Change Request appropriates the \$3,000 into the equipment/furniture expense account to be used for future furniture/equipment purchases.

Note: Decreases in expenditures & increases in revenue accounts require brackets. Increases in expenditures & decreases in revenue do not require brackets. Please note that transfers between funds require interfund transfer accounts.
