Key issues for citizens in this area include: preservation of open space; road improvements and better connectivity to other areas of the County and throughout the region; increased job opportunities; maintaining the rural “feel” of the area; and, increased commercial opportunities.

Comprehensive Plan future Land Use: Suburban Development

Suburban Development consists of significant single-family residential areas that exist around commercial pockets representing a standard suburban center. Typically, this would resemble subdivisions built around services for those communities. Suburban centers can also include multi-family houses and support services as well. These centers are larger than the rural centers and tend to not serve a significant civic or commercial purpose, aside from immediate neighborhood needs.

Memorandum

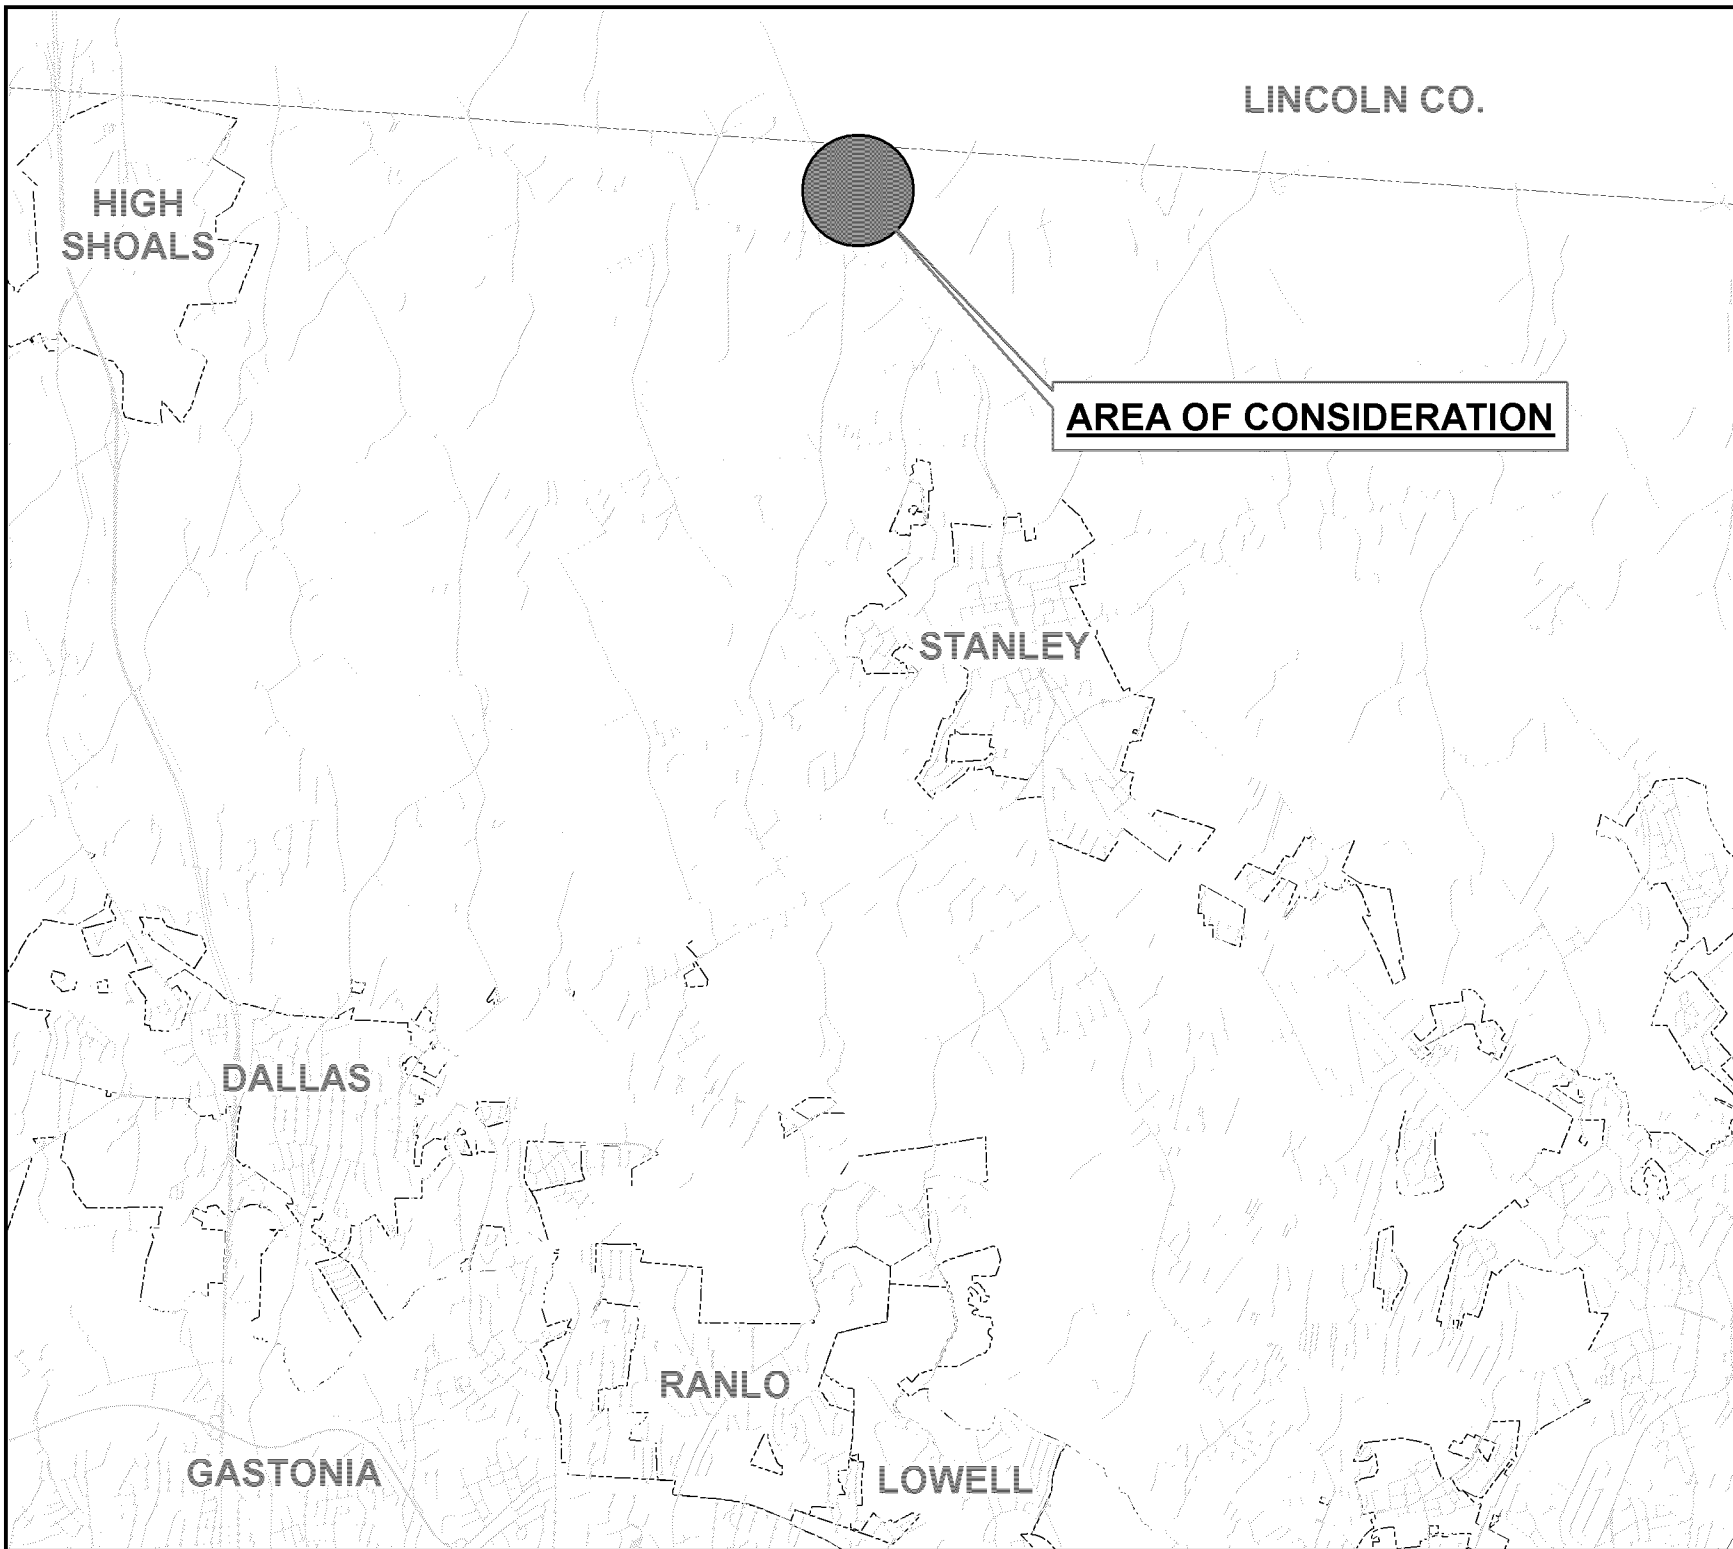

To: Sarah Carpenter Penley, Subdivision Administrator, Building and Development Services
From: Julio Paredes, Planner
Date: September 21, 2022
Subject: GCLMPO Rezoning Review – Z22-22 136 Oakhill St (Iron Station)

Thank you for the opportunity to provide comments on a proposed rezoning within the Gaston-Cleveland-Lincoln Metropolitan Planning Organization (GCLMPO) planning area. My comments are based on review of the site in accordance with the adopted Comprehensive Transportation Plan (CTP), the 2050 Metropolitan Transportation Plan (MTP), and the current State Transportation Improvement Program (STIP).

The site is located at 136 Oakhill St, Iron Station, NC, 28080, USA. On behalf of the GCLMPO, I offer the following comments:

1. According to the 2020-2029 STIP, there are no funded transportation improvement projects in the immediate vicinity of this site.
2. Neither the GCLMPO 2050 Highway MTP nor Highway CTP include any proposed improvements to any streets adjacent to the subject property.
3. Please note that for any site plan that requires a driveway permit on an NCDOT roadway, or is adjacent to NCDOT roadways, the property owner/developer should work with NCDOT on any required driveway permits or any TIA requirements.

If you have any questions regarding my comments, please do not hesitate to contact me at 704-866-6980 or juliop@cityofgastonia.com.
