

CHANGE LOG FOR PROGRAM RECORDS SCHEDULE: LOCAL GOVERNMENT AGENCIES

Issued By:

North Carolina Department of Natural and Cultural Resources
Division of Archives and Records
Government Records Section

October 1, 2021

EXECUTIVE SUMMARY

This document lists the changes that have been made from the Municipal Records Retention and Disposition Schedule issued on September 10, 2012 as well as the County Management Records Retention and Disposition Schedule issued on April 15, 2013 that are now present in the 2020 Program Records Schedule for Government Agencies. While previously adopted amendments, grammatical and alphabetization changes, wordsmithing, and the updating of citations are not listed, substantive changes are listed in the left-hand column. In the center column are the titles of new records series that have been added to the schedule. In the right-hand column are records series that have been either superseded by the *General Records Schedule: Local Government Agencies* or discontinued because the records are no longer created or received by local departments.

MUNICIPAL AND COUNTY MANAGEMENT CLARIFICATION

While some items included below were identical on the Municipal and County Management schedules, there are cases where an item was only on one schedule or had a different name on each schedule. In those cases, the item will have either an (M) or a (CM) after its title. An (M) indicates that the referenced item was only on the Municipal schedule. A (CM) indicates that the referenced item was only on the County Management schedule. When titles differ, or when multiple items from one schedule fall under a larger term in the other schedule, all previous item titles are provided.

STANDARD 13: EMERGENCY MEDICAL SERVICES AND FIRE DEPARTMENT RECORDS

The most significant change from the previous schedule is that all items pertaining to Emergency Management are now included in the General Records Schedule: Local Government Agencies. Since Emergency Management is a function carried out by various local agencies, and since Emergency Management is not necessarily an agency paired with Emergency Medical Services (EMS) and Fire Departments, it is logical to place the Emergency Management items in the General Schedule where they apply to all local agencies. **All Emergency Management specific standards will now be found in Standard 8 (Risk and Emergency Management) of the General Records Schedule: Local Government Agencies, to be reflected in the new revisions to the General Schedule for 2020.**

Clarification note added to the standard introduction concerning body-worn camera footage from EMS and Fire Department personnel that reads: *Footage from body-worn cameras is classified with the content captured or the purpose of the footage rather than by its format. Recordings may fit under FIRE INVESTIGATION CASE FILES, DISPATCH RECORDS AND RECORDINGS, PUBLICITY RECORDS (General Schedule), TRAINING AND EDUCATIONAL RECORDS, and other items as appropriate. Footage is only confidential if it fits within an item where confidentiality is conferred by state or federal statute.*

STANDARD 18: PUBLIC UTILITIES AND ENVIRONMENTAL/WASTE MANAGEMENT RECORDS

This standard combines the Municipal Schedule Standard 17, Public Utilities and Environmental Management Records, and the County Management Schedule Standard 15, Public Utilities and Waste Management Records. To ease searching, records series have been loosely grouped into the categories Environmental Records, Erosion Control Records, Flood Control Records, Utilities Records, and Water Quality Records. This change log indicates name changes under “changes” and the Municipal and County items that have been superseded under “discontinued items.” Some overlap was found with County Management Schedule Standard 5, Code Enforcement and Inspection Records. In these cases, the records series can now be found on the Local Government Program Schedule Standard 12, Code Enforcement and Inspection.
