- 1) The request is consistent with the County's approved Comprehensive Land Use Plan and like Zoning Districts according to County and the Unified Development Ordinance. This is a zoning of various parcels and approximately 5018.44 acres of land from the Stanley ETJ to Gaston County. The zoning is consistent with the Gaston County Comprehensive Land Use Plan, as the proposed zoning is intended to follow the current zoning assigned to the various parcels by the Town of Stanley. The goal of Gaston County was to put property owners in a similar zoning district which they were already in, enabling them to engage in similar land use activities. The Commission considers this action to be reasonable and in the public interest, based on: Planning Board recommendation and compatibility with existing land uses in the immediate area.

2) The request for property parcels (numerous), is hereby approved, effective with the passage of this Resolution.

3) The County Manager is authorized to make necessary notifications in this matter to appropriate parties.

Tom Keigher, Chairman
Gaston County Board of Commissioners

WHEREAS, N.C. Gen. Stat. § 160A-360(b) (2018) (repealed 2019) previously provided procedures for a Municipality to exercise extraterritorial jurisdictional powers and authority provided under Article 19, Chapter 160A of the North Carolina General Statutes, including authority to adopt and amend, from time to time, an Ordinance specifying the areas to be included in the Municipality's extraterritorial jurisdiction; and,

WHEREAS, on March 18, 1974, the Town of Stanley (hereinafter "Town") adopted an initial Ordinance exercising extraterritorial jurisdiction over certain property within a one-mile perimeter of the then existing town limits; and,

WHEREAS, on or around October 21, 1991, the Town adopted a supplemental Ordinance extending its extraterritorial jurisdiction to additional areas outside its corporate limits, which Ordinance was recorded at Book 6, Page 484 of the Book of Ordinances filed in the Gaston County Registry; and,

WHEREAS, the Town is coordinating with Gaston County in order to provide for an orderly transition of jurisdiction so as to allow Gaston County sufficient time to adopt zoning, subdivision, and other developmental regulations in the relinquished area.

BACKGROUND

Chapter 5 of the Unified Development Ordinance requires a public hearing by the Commission, with recommendation by the Planning Board prior to consideration for final action by the Commission, regarding amendments to the text and zoning map. The Gaston County Planning Board (Applicant) has requested the County to accept the portions of the land area relinquished by the Town of Stanley in its ETJ, and accept zoning of the portions of ETJ as parcels are generally located off numerous roads. The formal action taken by the Town of Stanley to relinquish zoning control and land use authority of portions of its ETJ is attached. Property owners are numerous, with the property parcels under consideration attached consisting of a total area of approximately 5018.44 acres impacting 2348 parcels. If accepted, the subject parcels would be placed under County Zoning as indicated on the attached maps, in the Riverbend Township effective immediately upon adoption. A public hearing was advertised and held on December 14, 2021 to take citizen comment, with the public hearing comments being on file in the Commission Clerk's Office. Planning Board recommendation was provided on December 13, 2021, and the Commission is requested to consider the public hearing comment, Planning Board recommendation and other pertinent information; then either (accept), (deny), or (modify) the relinquished area and zoning.
