BACKGROUND

Gaston County has designated the vehicles listed on the attached Surplus Vehicle list to be in poor condition, uneconomical for continued use, and as having met the established surplus criteria. This Board Action formally declares the vehicles listed as surplus and authorizes their sale at the online auction service GovDeals.com. Approval of this Board Action authorizes the County Manager or her designee to enter into an agreement with GovDeals.com, with payment of the online auction service to come from a Buyer's Premium paid by the Buyer, and appropriates funds from auction sale proceeds into the Motor Vehicle account per the attached Budget Change Request.

JUSTIFICATION FOR REQUEST:

Several of our vehicles have remained in service longer than their useful life. Necessary repairs would exceed the value of the vehicles. This Budget Change Request appropriates funds from the sale of surplus vehicles into an account to replace vehicles that will require repairs that either exceed the value of the vehicle, or from a practicality standpoint, does not make good business sense to continue maintaining.

Note: Decreases in expenditures & increases in revenue accounts require brackets. Increases in expenditures & decreases in revenue do not require brackets. Please note that transfers between funds require interfund transfer accounts.
