NC Department of Commerce/Division of Community Assistance is the State administering agency for the Community Development Block Grant Economic Development Program whose funds are designed to generate economic opportunities for low-to-moderate income households. Full rehabilitation projects assist low-income home owners in Gaston County. Costs for the rehabilitation projects are assigned to the homeowner as a lien for 8 years with one-eighth of the loan amount forgiven each year. If a homeowner dies and the family chooses to place an occupant in the home whose income does not meet CDBG guidelines, the outstanding balance must be repaid to the county.
