Easement Acquisition Notice

July 17, 2025

Dear Heirs of Samuel S. Kiser,

Gaston County Government is interested in acquiring an easement on property you own at 1973 Tryon Courthouse Road, Parcel 201653, for a proposed water line project which may receive funding assistance from the US Department of Treasury under Corona virus State and Local Recovery Funds program.

The purpose of this notice is to inform you of your rights under a federal law known as the Uniform Relocation Assistance and Real Property Acquisition Policies Act (URA). At this stage, your property is only under consideration for acquisition. This notice is not a contractual offer or commitment to purchase your property.

If your property is selected for acquisition, under the URA, you will have the right to receive just compensation for your property. In order to determine the amount of just compensation to be offered to you, a third-party real estate professional firm (Professional Land Management) having sufficient understanding of the local real estate market was contracted to determine fair market value for the easement. The fair market estimate provided by Professional Land Management is \$1,150.00 as shown on the included Right of Way Claim Report. The value estimate was derived from a review of available property sales within the area.

For your information, Gaston County Government possesses eminent domain authority to acquire the property needed for this project, however, our goal is to attempt to negotiate amicable agreements for all property acquisitions to avoid utilizing this option unless absolutely necessary. As a result of negotiations, Gaston County is prepared to offer \$675.00 and other considerations as mutually agreed to. If negotiations fail, acquisition under eminent domain could be considered.

If you have any questions about this notice or the proposed project, please contact Ray Maxwell, Executive Director of Capital Projects, at (704) 862-7551 or (704) 913-5802, or by mail at Gaston County Office of Capital Improvements, PO Box 1578, Gastonia, NC 28053.

Sincerely,

Ray Maxwell, PE
Executive Director of Capital Projects
