STAFF SUMMARY**Prepared By: Jamie Mendoza Kanburoglu, Long Range Planner**

This property is in a residential area in the northern region of the county. It is heavily surrounded by residential lots with a few general commercial zoned lots to the west and southwest. The 2022 orthophoto collection shows a mix of single and double wide manufactured housing in the area as well as some site-built homes. This parcel was created through the minor subdivision process back in April of this year. The lot is surrounded by a larger parcel that is owned by the applicant. The applicant did not want to rezone the entire parcel and intends to keep the larger parcel as a working farm. The applicant has secured a well and the builder has stated that he has a septic permit from the Health Department. Staff finds that the request is consistent with the vision of the Comprehensive Land Use Plan as it will keep the subject parcel rural in nature which is the future land use designation for this area. The proposed use also meets the goals of the Rural Gaston area as well as the rezoning would continue preservation of open space and maintaining the rural “feel” of the community.

If approved, any uses allowed in the (R-2) Single Family Moderate Zoning District would be permitted in accordance with standards and regulations as adopted in the Gaston County Unified Development Ordinance (UDO).

The following table shows the difference in Residential Uses allowed in the (R-1) and (R-2) zoning districts.

PLANNING BOARD RECOMMENDATION

Scheduled Meeting Date: August 1, 2022

The Planning Board recommended approval of the request (5-1) as the proposed zoning district is consistent with the vision and goals of the Comprehensive Land Use Plan (CLUP) as it will keep the subject parcel residential in nature as envisioned by the rural future land use designation for the lot. Rural areas are characterized as having residential homes on large lots that are set back from main roads. The proposed district will also allow for the preservation of open space as envisioned for the Rural Gaston area of the County.
