RESOLUTION PROVIDING FOR THE ISSUANCE OF A
GENERAL OBLIGATION REFUNDING BOND, SERIES 2017

BE IT RESOLVED by the Board of Commissioners for the County of Gaston, North Carolina:

Section 1. Said Board of Commissioners (the “Board of Commissioners”) has determined and does hereby find and declare:

(a) That an order authorizing not exceeding \$61,000,000 Refunding Bonds of the County of Gaston, North Carolina was adopted by the Board of Commissioners on November 14, 2017, which order has taken effect.

(b) That none of said Refunding Bonds have been issued; that no notes have been issued in anticipation of the receipt of the proceeds of the sale of said Refunding Bonds; and that it is necessary to issue at this time said Refunding Bonds in accordance with the provisions of Section 2 of this resolution.

(c) That the shortest period of time in which the debt of said County to be refunded by the issuance of said Refunding Bonds can be finally paid without making it unduly burdensome on the taxpayers of said County, as determined by the Local Government Commission of North Carolina (the “Local Government Commission”), is a period which expires on February 1, 2029 and that the end of the unexpired period of usefulness of the capital projects financed by said debt is a period which expires on August 18, 2049.

(d) That said County desires to sell said Refunding Bonds to be issued at private sale pursuant to a proposal from Key Government Finance, Inc., dated November 10, 2017, for the purchase of said Refunding Bonds to be issued with a final maturity date of February 1, 2029 (the “Proposal”).

Section 2. Pursuant to said order and the Proposal, there shall be issued a single bond of said County (the “Issuer”), designated “General Obligation Refunding Bond, Series 2017” and dated the date of delivery thereof (the “Bond”). The Bond shall be in such principal amount not exceeding \$61,000,000 and shall be stated to mature in such annual installments of principal on February 1 of such years not exceeding February 1, 2029 as shall be determined by the County Manager or the Finance Director of the Issuer, subject to the limitations contained in this resolution. The County Manager or the Finance Director of the Issuer shall execute one or more certificates to evidence the making of such determinations, and each such certificate shall be conclusive evidence of the determinations of the County Manager or the Finance Director of the Issuer, as applicable, as to the matters stated therein. Except as provided in this Section 2 and Section 8 of this resolution, the Bond shall bear interest on the unpaid part of such principal amount (computed on the basis of a 360-day year consisting of twelve 30-day months) at the rate of two and five hundred thirty-four thousandths per centum (2.534%) per annum, which interest

shall be payable on August 1, 2018 and semiannually thereafter on February 1 and August 1 of each year until payment of such principal amount.

In the event that the Issuer fails to pay the interest on or principal of the Bond when due, the interest rate on the related installment of principal of the Bond shall increase from the date of such payment default to five and five hundred thirty-four thousandths per centum (5.534%) per annum (the “Default Rate”) until such payment default has been cured and, if such payment default continues for longer than ninety (90) days, then the interest rate on the related installment of principal of the Bond and the installments of principal of the Bond that are due to be paid thereafter shall increase to the Default Rate until such payment default has been cured.

The Bond shall bear interest from the interest payment date next preceding the date on which it is authenticated unless it is (a) authenticated upon an interest payment date in which event it shall bear interest from such interest payment date or (b) authenticated prior to the first interest payment date in which event it shall bear interest from its date; provided, however, that if at the time of authentication interest is in default, the Bond shall bear interest from the date to which interest has been paid.

The principal of and the interest on the Bond shall be payable in any coin or currency of the United States of America which is legal tender for the payment of public and private debts on the respective dates of payment thereof.

The principal of and the interest on the Bond shall be payable to the person appearing on the registration books of the Issuer hereinafter provided for as the registered owner of the Bond or his registered assigns or legal representative as the same shall become due and payable on the respective payment dates by wire transfer or other means in accordance with information to be provided to the Issuer by the registered owner of the Bond.

The Bond shall be initially issued as one fully-registered bond, numbered R-1, and shall be initially registered in the name of “Key Government Finance, Inc.,” as the initial purchaser of the Bond (the “Purchaser”).

The Issuer has pledged its faith and credit to the payment of the principal of and interest on the Bond. Unless other funds are lawfully available and appropriated for the timely payment thereof, the Issuer will levy on all real and tangible personal property taxable by the Issuer such ad valorem taxes as may be necessary to pay the principal of and the interest on the Bond as they become due.

Unless indicated otherwise, the provisions of this resolution that follow shall apply to each Bond issued or issuable hereunder, whether initially or in replacement thereof.

Section 3. The Bond shall bear the manual signatures of the Chairman of the Board of Commissioners and the Clerk to the Board of Commissioners and the corporate seal of the Issuer shall be impressed on the Bond.

The certificate of the Local Government Commission to be endorsed on the Bond shall bear the manual or facsimile signature of the Secretary of the Local Government Commission and the certificate of authentication of the Bond Registrar (hereinafter defined) to be endorsed on the Bond shall be executed as provided hereinafter.

In case any officer of the Issuer or the Local Government Commission whose manual or facsimile signature shall appear on the Bond shall cease to be such officer before the delivery of the Bond, such manual or facsimile signature shall nevertheless be valid and sufficient for all purposes the same as if he had remained in office until such delivery, and the Bond may bear the manual or facsimile signatures of such persons as at the actual time of the execution of the Bond

shall be the proper officers to sign the Bond although at the date of the Bond such persons may not have been such officers.

The Bond shall not be valid or become obligatory for any purpose or be entitled to any benefit or security under this resolution until it shall have been authenticated by the execution by the Bond Registrar of the certificate of authentication endorsed thereon.

The Bond and the endorsements thereon shall be in substantially the following forms:

This bond is being issued by said County for the purpose of providing funds, with any other available funds, for refunding certain outstanding bonds of said County, including paying expenses related thereto, as provided in a resolution duly passed by the Board of Commissioners for said County on November 28, 2017 (the “Resolution”), and this bond is issued under and pursuant to The Local Government Bond Act, as amended, Article 7, as amended, of Chapter 159 of the General Statutes of North Carolina, an order adopted by said Board of Commissioners, which order has taken effect, and the Resolution.

aggregate principal amount of the installments of principal of this bond to be redeemed if redeemed thereafter, plus interest accrued thereon to the date fixed for redemption.

Not less than thirty (30) days before the redemption date of the installments of principal of this bond to be redeemed, said County shall cause a notice of such redemption to be filed with the Bond Registrar (as defined in the Resolution) and to be given by certified or registered United States mail or a national package delivery service to the registered owner of this bond at the address appearing upon the registration books of said County or by such other means as the registered owner of this bond shall require. On the date fixed for redemption, notice having been given as aforesaid, the installments of principal of this bond so called for redemption shall be due and payable at the redemption price provided therefor, plus accrued interest to such date, and said County shall pay such redemption price plus accrued interest to the registered owner of this bond by wire transfer or other means in accordance with instructions to be provided by such registered owner.

Any notice of redemption may state that the redemption to be effected is conditioned upon the receipt by the Bond Registrar on or prior to the redemption date of moneys sufficient to pay the redemption price and interest on the installments of principal of this bond to be redeemed and that if such moneys are not so received such notice shall be of no force or effect and such installments of principal of this bond shall not be required to be redeemed. Notwithstanding the foregoing, the Bond Registrar shall not register the transfer of this bond to any person or entity other than a bank, insurance company or similar financial institution unless such transfer has been approved by the Local Government Commission of North Carolina.

It is hereby certified and recited that all acts, conditions and things required by the Constitution and laws of North Carolina to happen, exist and be performed precedent to and in the issuance of this bond have happened, exist and have been performed in regular and due form and time as so required; that provision has been made for the levy and collection of a direct annual tax upon all taxable property within said County sufficient to pay the principal of and the interest on this bond as the same shall become due; and that the total indebtedness of said County, including this bond, does not exceed any constitutional or statutory limitation thereon.

Not less than thirty (30) days before the redemption date of the installments of principal of the Bond to be redeemed, the Issuer shall cause a notice of such redemption to be filed with the Bond Registrar and to be given by certified or registered United States mail or a national package delivery service to the registered owner of the Bond at the address appearing on the registration books of said County or by such other means as the registered owner of the Bond shall require. Any such notice shall set forth the date designated for redemption, the redemption price to be paid and the installments of principal of the Bond to be redeemed.

On or before the date fixed for redemption, moneys shall be deposited with the Bond Registrar to pay the redemption price of the installments of principal of the Bond called for redemption as well as the interest accruing thereon to the redemption date thereof.

On the date fixed for redemption, notice having been given in the manner and under the conditions hereinabove provided, the installments of principal of the Bond so called for redemption shall be due and payable at the redemption price provided therefor, plus accrued interest to such date, and the Issuer shall pay such redemption price plus accrued interest to the

Any notice of redemption may state that the redemption to be effected is conditioned upon the receipt by the Bond Registrar on or prior to the redemption date of moneys sufficient to pay the redemption price and interest on the installments of principal of the Bond to be redeemed and that if such moneys are not so received such notice shall be of no force or effect and such installments of principal of the Bond shall not be required to be redeemed. Section 5. The Bond Registrar shall keep at his or her office the books of the Issuer for the registration of transfer of the Bond. The transfer of the Bond may be registered only upon the registration books of the Issuer upon the surrender thereof to the Bond Registrar together with an assignment duly executed by the registered owner thereof or his attorney or legal representative in such form as shall be satisfactory to the Bond Registrar. Upon any such registration of transfer, the Bond Registrar shall authenticate and deliver in exchange for the Bond a new Bond, registered in the name of the transferee, in a principal amount equal to the outstanding installments of principal of the Bond so surrendered, containing the same outstanding installments of principal and bearing interest at the same rate.

In all cases in which the transfer of the Bond shall be registered hereunder, the Bond Registrar shall authenticate and deliver at the earliest practicable time a new Bond in accordance with the provisions of this resolution. Any Bond surrendered in any such registration of transfer shall forthwith be cancelled by the Bond Registrar. The Issuer or the Bond Registrar may make a charge for shipping and out-of-pocket costs for every such registration of transfer of the Bond sufficient to reimburse it for any tax or other governmental charge required to be paid with respect to such registration of transfer, but no other charge shall be made by the Issuer or the Bond Registrar for registering the transfer of the Bond under this resolution. Notwithstanding the foregoing, the Bond Registrar shall not register the transfer of the Bond to any person or entity other than a bank, insurance company or similar financial institution unless such transfer has been approved by the Local Government Commission.

As to any Bond, the person in whose name the same shall be registered shall be deemed and regarded as the absolute owner thereof for all purposes, and payment of or on account of the principal or redemption price of any Bond and the interest on any Bond shall be made only to or upon the order of the registered owner thereof or his legal representative. All such payments shall be valid and effectual to satisfy and discharge the liability upon any Bond, including the interest thereon, to the extent of the sum or sums so paid.

The Issuer shall appoint such registrars, transfer agents, depositories or other agents as may be necessary for the registration and registration of transfer of the Bond within a reasonable time according to then current commercial standards and for the timely payment of principal and interest with respect to the Bond. The Finance Director of the Issuer is hereby appointed the registrar, transfer agent and paying agent for the Bond (collectively the "Bond Registrar"), subject to the right of the Board of Commissioners to appoint another Bond Registrar, and as

such shall keep at his or her office the books of the Issuer for the registration, registration of transfer and payment of the Bond as provided in this resolution.

Section 6. The Issuer shall send to the Purchaser a copy of the Issuer's audited financial statements, including operating statistics, for each fiscal year within two hundred seventy (270) days of the end of such fiscal year.

Section 7. The Issuer covenants that, to the extent permitted by the Constitution and laws of the State of North Carolina, it will comply with the requirements of the Internal Revenue Code of 1986, as amended (the "Code"), as are applicable to the Bond, except to the extent that the Issuer obtains an opinion of bond counsel to the effect that noncompliance would not result in interest on the Bond being includable in the gross income of the owner of the Bond for purposes of federal income taxation.

Section 8. Upon the occurrence of a Determination of Taxability (hereinafter defined), and for as long as the Bond remains outstanding, the interest rate on the Bond shall be converted to the Taxable Rate (hereinafter defined).

In addition, upon a Determination of Taxability, the Issuer shall pay to the registered owner of the Bond (a) an additional amount equal to the difference between (i) the amount of interest actually paid on the Bond during the Taxable Period (hereinafter defined) and (ii) the amount of interest that would have been paid on the Bond during the Taxable Period had the Bond borne interest at the Taxable Rate, and (b) an amount equal to any interest, penalties on overdue interest and additions to tax (as referred to in Subchapter A of Chapter 68 of the Code) owed by the registered owner of the Bond as a result of the Determination of Taxability.

"Determination of Taxability" means a final decree or judgment of any federal court or a final action of the Internal Revenue Service determining that interest paid or payable on the

Bond is or was includable in the gross income of the registered owner of the Bond for federal income tax purposes; provided, however, that no such decree, judgment or action will be considered final for this purpose unless the Issuer has been given written notice and, if it is so desired and is legally allowed, has been afforded the opportunity to contest the same, either directly or in the name of the registered owner of the Bond, and until the conclusion of any appellate review, if sought.

“Taxable Period” means the period of time between (a) the date that the interest on the Bond is deemed to be includable in the gross income of the registered owner of the Bond for federal income tax purposes as a result of a Determination of Taxability and (b) the date of the Determination of Taxability.

“Taxable Rate” means, upon a Determination of Taxability, the interest rate per annum that shall provide the registered owner of the Bond with the same after-tax yield that the registered owner of the Bond would have received had the Determination of Taxability not occurred, taking into account the increased taxable income of the registered owner of the Bond as a result of such Determination of Taxability. The registered owner of the Bond shall provide the Issuer with a written statement explaining the calculation of the Taxable Rate and this statement shall, in the absence of manifest error, be conclusive and binding on the Issuer.

Section 9. In connection with the issuance of the Bond, the law firm of Robinson, Bradshaw & Hinson, P.A., Charlotte, North Carolina, is hereby confirmed as bond counsel to the Issuer and Davenport & Company LLC is hereby confirmed as financial advisor to the Issuer.

Section 10. U.S. Bank National Association is hereby approved as escrow agent in connection with the refunding of the bonds to be refunded by the issuance of the Bond (the “Escrow Agent”), subject to the right of the governing body of the Issuer to appoint another

Escrow Agent as provided in the Escrow Deposit Agreement hereinafter mentioned, and as such shall perform its responsibilities as provided in such Escrow Deposit Agreement. Such Escrow Deposit Agreement, substantially in the form of the draft thereof presented to the Board of Commissioners (the “Escrow Deposit Agreement”), and the creation of the Escrow Fund and the other arrangements described therein to accomplish such refunding are hereby approved, and the Chairman of the Board of Commissioners of the Issuer and the Clerk to said Board are each hereby authorized to approve such changes in the Escrow Deposit Agreement as are necessary and to execute the Escrow Deposit Agreement for and on behalf of the Issuer.

Section 11. Bingham Arbitrage Rebate Services, Inc. is hereby appointed as verification agent to verify the accuracy of certain mathematical computations in connection with the issuance of the Bond and the refunding of the bonds to be refunded by the issuance of the Bond (the “Bonds to be Refunded”).

Section 12. The Local Government Commission is hereby requested to sell the Bond at private sale without advertisement to any purchaser or purchasers thereof, at such prices as the Local Government Commission determines to be in the best interest of the Issuer, subject to the approval of the County Manager or the Finance Director of the Issuer; provided that the Bond is sold at a purchase price of not less than ninety-eight percent (98%) of the face value of the Bond plus one hundred percent (100%) of any interest accrued thereon from the date thereof to the date of delivery and payment therefor and, further, that the interest rate of the Bond does not exceed two and five hundred thirty-four thousandths per centum (2.534%) per annum.

Section 13. The County Manager, the Finance Director or the County Attorney of the Issuer or their designees are hereby authorized and directed to take such other actions and to execute and deliver such other documents, certificates, undertakings, agreements or other

instruments as may be necessary or appropriate to effectuate the issuance of the Bond or the refunding of the Bonds to be Refunded. Such actions include giving or causing to be given notices of redemption of the Bonds to be Refunded as required by the resolution providing for their issuance passed by the Board of Commissioners and such related documents as may be applicable. All actions heretofore taken by any of such officers or any other officer of the Issuer relating to such matters on behalf of the Issuer are hereby approved, ratified and confirmed. Such persons are expressly authorized to execute any documentation that may be reasonably required by the Purchaser as the purchaser of the Bond.

Section 14. The officers, agents and employees of the Issuer are hereby authorized and directed to do all other acts and things required of them by the provisions of the Bond and this resolution for the full, punctual and complete performance of the terms, covenants, provisions and agreements therein and herein. Such persons are expressly authorized to execute any documentation that may be reasonably required by the Purchaser as the purchaser of the Bond.

Section 15. This resolution is passed with the intent that the laws of the State of North Carolina shall govern its construction.

Section 16. All orders, resolutions and other actions of the Board of Commissioners or parts thereof in conflict with this resolution are hereby superseded.

Section 17. This resolution shall take effect upon its passage.
