Board of Commissioners / Planning Board Public Hearing Date December 11, 2018

General Rezoning Application Z18-11

Request: To rezone property parcel 162149 from the (R-1) Single Family Limited Zoning District to the (C-1) Light Commercial Zoning District

Applicant(s): Teramore Development LLC

Property Owner(s): Sarah Pless Simmons

Mailing Address of Applicant: PO Box 6460, Thomasville, GA 31758

Site Information and Description of Area

General Location: 1832 Martin Rd.

Parcel ID(s): 162149

Total Property Acreage: 2.17 ac

Acreage for Map Change: 2.17 ac

Current Zoning District(s): (R-1) Single Family Limited

General Area Zoning District(s): (R-1) Single Family Limited, (R-2) Single Family Moderate, (C-1) Light Commercial, (I-2) General Industrial

Zoning District Information

Current Zoning District:

(R-1) Single Family Limited – The purpose of this district is to accommodate single family site built and modular construction. The minimum lot size allowed in this district will be dependent on the provision of public or community water and sewer facilities. Although areas may be served with such utilities, most of these areas are located beyond existing or anticipated utility service coverage areas. The minimum lot size for residential uses in this district is therefore larger than in other residential zoning districts.

Proposed Zoning District:

(C-1) Light Commercial – The C-1 Light Commercial District is designed to accommodate a large variety of retail uses designed to meet the needs of individual neighborhoods, or other relatively small geographic areas. Stores and shopping complexes are therefore relatively small in size and are designed to be compatible and integrated with adjoining residential neighborhoods. This zoning district is not intended to accommodate retail uses which attract persons from outside the neighborhood or which attract large numbers of passing motorists.

Comprehensive Land Use Plan (Small Area District)

Area 1: Rural Gaston / Northwest Gaston (Cherryville and surrounding area)

Key issues for citizens in this area include preservation of open space; road improvements and better connectivity to other areas of the County and throughout the region; increased job opportunities; preservation of agriculture and maintaining the rural “feel” of the area; repurpose vacant buildings and facilities for new economic opportunities; and steer development towards existing infrastructure.

Comprehensive Plan Future Land Use: Rural, Rural Center, and Rural Community

It is staff’s opinion that the request is consistent with the Comprehensive Land Use Plan.

Technical Review Committee TRC)

The request was reviewed by the TRC for comment and general compliance with applicable regulations and provisions. The TRC is made up of various technical land use reviewing agencies such as North Carolina Department of Transportation (NCDOT), Environmental Health, Gaston Cleveland Lincoln Metropolitan Planning Organization

(GCLMPO), County Fire Marshall, et cetera, which review all land use proposals and site plans requiring Planning Board approval and/or public hearing process.

Notification

Notice of public hearing was advertised in the Gaston Gazette in accordance with County policy.

(I/We), also agree to grant permission to allow employees of Gaston County to enter the subject property during reasonable hours for the purpose of making **Zoning Review**.

Please be advised that an approved general rezoning does not guarantee that the property will support an on site wastewater disposal system (septic tank).
