- 2. If any of the conditions affixed hereto of any part thereof is held invalid or void, then this permit shall be void and no effect.
- 3. Unless the Board of Commissioners issues a Conditional Use Permit which either is specifically exempt from any time constraints or has some other specified time period for implementation, the applicant must secure a valid building permit within a twenty-four (24) month period from the date of issuance of the Conditional Use Permit.
- 4. Development shall meet all local, state and federal requirements.
- 5. If the owner decides to change the proposed project boundary line into a real property parcel line, then the normal buffer yard type requirement shall be installed abutting any residential zoning districts and shall be on the proposed commercial zoning district property.
