General Area Zoning District(s): (RS-12) Single Family 12,000 sq ft, (CD/RMF) Conditional District/Residential

Multi Family, (CU/O-M) Conditional Use/Office Medical, (C-3) General

Commercial, (RMF) Residential Multi Family, (CU/R-2) Conditional Use/Single

Family Moderate

Zoning District Information

Current Zoning District:

(RS-12) Single Family 12,000 sq ft — The purpose of the RS-12 district is primarily for the development of single family residential with a standard minimum lot size of twelve thousand (12,000) square feet. This district is generally found in the Urban Standards Overlay (USO) district and is served by public or community water and sewer utility. Higher densities than this is normally allowed and a variety of different residential types may be accommodated through Planned Residential Developments (PRD), Infill Residential Developments and Traditional Neighborhood Developments (TND) and/or through the satisfaction of certain performance design and construction.

Proposed Zoning District:

(RMF) Residential Multi Family – The purpose of this district is intended primarily as a residential district for the location of single family, two family and multi family dwellings along with their customary accessory uses so as to establish areas where development patterns are somewhat denser than surrounding areas. In order to ensure that developments are well planned and compatible with adjoining residential uses, density levels of development in excess of six (6) units per acre are allowed subject to the issuance of a Conditional Use Permit (CUP) by the Board of Adjustment. This district should have access to public or community water and sewer utilities.

Comprehensive Land Use Plan (Small Area District)

Area 4: The Garden Gaston/Southeast Gaston (Belmont, Cramerton, and surrounding area)

Key issues for citizens in this area include preservation of open space; road improvements and better connectivity to other areas of the County and throughout the region; another bridge crossing the Catawba River; increased walkability and connectivity between communities; continued coordination amongst local government agencies; and, maintaining enhanced quality of life.

Comprehensive Plan Future Land Use: Suburban Development

It is staff's opinion that the request is consistent with the Comprehensive Land Use Plan.

Technical Review Committee (TRC)

The request was reviewed by the TRC for comment and general compliance with applicable regulations and provisions. The TRC is made up of various technical land use reviewing agencies such as North Carolina Department of Transportation (NCDOT), Environmental Health, Gaston Cleveland Lincoln Metropolitan Planning Organization (GCLMPO), County Fire Marshall, et cetera, which review all land use proposals and site plans requiring Planning Board approval and/or public hearing process.

Notification

Notice of public hearing was advertised in the Gaston Gazette in accordance with County policy.

Zoning Sign Placement

August 14, 2019

Information Attached

Rezoning application; zoning district uses (current and proposed); vicinity map, aerial map, zoning/subject area maps, and adjacent property map with property owner list.

This map is intended for use by the Gaston County Board of Commissioners, in the review of zoning change requests.

Property parcels, zoning, transportation and other map information were compiled from one or more data layers. The data is periodically updated, however all data layers may not be displayed. Street names are subject to change.

Gaston County does not make or imply and warranties or assume any responsibility for the information presented on this map. This map was prepared by the Department of Planning and Development Services.

This map is for zoning purposes only - Not to be used for conveyance.

Note: For purposes of clarity, County Zoning is not shown at road right of ways and other selected features. Where different zoning is shown on opposite sides of the road and other features, the zoning areas are understood to meet at the center of the feature. In the event that a road right of way is undedicated and removed, areas with different zoning types will meet in the center of the area. Please see the Zoning Administrator for additional information.

From: Julio Paredes, Planner, Gaston—Cleveland—Lincoln MPO

Date: August 12, 2019

Subject: Z19-11 Neal Hawkins Rd—GCLMPO Comments

Thank you for the opportunity to provide transportation comments on a proposed site located within the Gaston-Cleveland-Lincoln Metropolitan Planning Organization (GCLMPO) geographic area. My comments are based on review of the proposed site in accordance with our adopted Comprehensive Transportation Plan (CTP) and the adopted 2045 Metropolitan Transportation Plan (MTP).

- 1. The proposed development is located near Neal Hawkins Rd. PIDs: 202079, 210367, 139805
 - A. According to NCDOT's 2020-2029 State Transportation Improvement Program (STIP) and the 2045 MTP, there are no funded transportation improvement projects in the immediate vicinity of this project.
 - B. A proposed new 4-lane divided Boulevard Road, part of the Forbes Rd. Extension is included in the MPO's CTP. The widening of Forbes Rd —boulevard needs improvement (2 lane divided) is included in the MPO CTP.
 - C. CTP projects shown as "Boulevard Improvement" or "Recommended" could become a funded project in the future, part of a development project, or may never become a funded project. If a project shown on the CTP becomes a funded project, NCDOT will acquire necessary right of way in compliance with 49 CRF Code of Federal Regulations as well as NC General Statutes. Note that this is a very preliminary identification of a route, which is subject to change upon further design.
 - D. Please note that any site plan that requires a driveway permit on an NCDOT roadway, or is adjacent to NCDOT roadways, the developer should work with NCDOT on any required driveway permits or any TIA requirements.
 - E. Attached you can also find a roadway functional design for the Forbes Road Extension. For more information regarding any roadway functional designs please contact the GCLMP office.

If you have any questions regarding my comments, please do not hesitate to contact me at 704-866-6980 or juliop@cityofgastonia.com.
